(1) rearranging the statutes into a more logical order;

(2) employing a format and numbering system designed to facilitate citation of the law and to accommodate future expansion of the law;

(3) eliminating repealed, duplicative, unconstitutional, expired, executed, and other ineffective provisions; and

Amended by Acts 2015.

§21.003. Statutory References.

A reference in a law other than in this code to a statute or a part of a statute revised by this code is considered to be a reference to the part of this code that revises that statute or part of that statute.

Amended by Acts 2015.

§21.004. Effect of Division of Law.

The division of this code into titles, subtitles, chapters, subchapters, parts, subparts, sections, subsections, subdivisions, paragraphs, and subparagraphs is for convenience and does not have any legal effect.

(h) If a contested matter in a probate proceeding is transferred to a district court under this section, the district court has jurisdiction of any contested matter in the proceeding that is subsequently filed, and the county court shall transfer those contested matters to the district court. If a statutory probate court judge is assigned under this section to hear a contested matter in a probate proceeding, the statutory

probate court judge shall be assigned to hear any contested matter in the proceeding that is subsequently filed.

(3) apportioned as otherwise provided by this subchapter.

(b) Subsection (a) does not apply to the extent the decedent, in a written inter vivos or testamentary instrument disposing of or creating an interest in property, specifically directs the manner of apportionment of estate tax or grants a discretionary power of apportionment to another person. A direction for the apportionment or nonapportionment of estate tax is limited to the estate tax on the property passing under the instrument unless the instrument is a will that provides otherwise.

(c) If directions under Subsection (b) for the apportionment of an estate tax are provided in two or more instruments executed by the same person and the directions in those instruments conflict, the instrument disposing of or creating an interest in the property to be taxed controls. If directions for the apportionment of estate tax are provided in two or more instruments executed by different persons and the directions in those instruments conflict, the direction of the person in whose estate the property is included controls.

(d) Subsections (b) and (c) do not:

(1) grant or enlarge the power of a person to apportion estate tax to property passing under an instrument created by another person in excess of the estate tax attributable to the property; or

(2) apply to the extent federal law directs a different manner of apportionment.

§124.006. Effect of Tax Deductions, Exemptions, or Credits.

(a) A deduction, exemption, or credit allowed by law in connection with the estate tax inures to a person interested in the estate as provided by this section.

(b) If the deduction, exemption, or credit is allowed because of the relationship of the person interested in the estate to the decedent, or because of the purpose of the gift, the deduction, exemption, or credit inures to the person having the relationship or receiving the gift, unless that person's interest in the estate is subject to a prior present interest that is not allowable as a deduction. The estate tax apportionable to the person having the present interest shall be paid from the corpus of the gift or the interest of the person having the relationship.

(c) A deduction for property of the estate that was previously taxed and a credit for gift taxes or death taxes of a foreign country that were paid by the decedent or the decedent's estate inure proportionally to all persons interested in the estate who are liable for a share of the estate tax.

(d) A credit for inheritance, succession, or estate taxes, or for similar taxes applicable to property or interests includable in the estate, inures to the persons interested in the estate who are chargeable with payment of a portion of those taxes to the extent that the credit proportionately reduces those taxes.

Added by Acts 2009.

§124.007. Exclusion of Certain Property from Apportionment.

(a) To the extent that property passing to or in trust for a surviving spouse or a charitable, public, or similar gift or devise is not an allowable deduction for purposes of the estate tax solely because of an inheritance tax or other death tax imposed on and deductible from the property:

(1) the property is not included in the computation provided for by Section 124.005; and

(2) no apportionment is made against the property.

(b) The exclusion provided by this section does not apply if the result would be to deprive the estate of a deduction otherwise allowable under Section 2053(d), Internal Revenue Code of 1986, for a state death tax on a transfer for a public, charitable, or religious use.

Added by Acts 2009.

§124.008. Exclusion of Certain Temporary Interests from Apportionment.

(a) Except as provided by Section 124.009(c), the following temporary interests are not subject to apportionment:

(2) an estate for years or for life; or

(3) another temporary interest in any property or fund.

(b) The estate tax apportionable to a temporary interest described by Subsection (a) and the remainder, if any, is chargeable against the corpus of the property or the funds that are subject to the temporary interest and remainder.

Added by Acts 2009.

§124.009. Qualified Real Property.

(a) In this section, "qualified real property" has the meaning assigned by Section 2032A, Internal Revenue Code of 1986 (26 U.S.C. Section 2032A).

(b) If an election is made under Section 2032A, Internal Revenue Code of 1986 (26 U.S.C. Section 2032A), the representative shall apportion estate taxes according to the amount of federal estate tax that would be payable if the election were not made. The representative shall apply the amount of the reduction of the estate tax resulting from the election to reduce the amount of the estate tax allocated based on the value of the qualified real property that is the subject of the election. If the amount of that reduction is greater than the amount of the taxes allocated based on the value of the qualified real property, the representative shall:

(1) apply the excess amount to the portion of the taxes allocated for all other property; and

(2) apportion the amount described by Subdivision (1) under Section 124.005(a).

(c) If additional federal estate tax is imposed under Section 2032A(c), Internal Revenue Code of 1986 (26 U.S.C. Section 2032A), because of an early disposition or cessation of a qualified use, the additional tax shall be equitably apportioned among the persons who have an interest in the portion of the qualified real property to which the additional tax is attributable in proportion to their interests. The additional tax is a charge against that qualified real property. If the qualified real property is split between one or more life or term interests and remainder interests, the additional tax shall be apportioned to each person whose action or cessation of use caused the imposition of additional tax, unless all persons with an interest in the qualified real property agree in writing to dispose of the property, in which case the additional tax shall be apportioned among the remainder interests.

Added by Acts 2009.

(a) If the date for the payment of any portion of an estate tax is extended:

(1) the amount of the extended tax shall be apportioned to the persons who receive the specific property that gives rise to the extension; and

(2) those persons are entitled to the benefits and shall bear the burdens of the extension.

(b) Except as provided by Subsection (c), interest on an extension of estate tax and interest and penalties on a deficiency shall be apportioned equitably to reflect the benefits and burdens of the extension or deficiency and of any tax deduction associated with the interest and penalties.

(c) A representative shall be charged with the amount of any penalty or interest that is assessed due to delay caused by the representative's negligence.

Added by Acts 2009.

§124.011. Apportionment of Interest and Penalties.

(a) Interest and penalties assessed against an estate by a taxing authority shall be apportioned among and charged to the persons interested in the estate in the manner provided by Section 124.005 unless, on application by any person interested in the estate, the court determines that:

(1) the proposed apportionment is not equitable; or

(2) the assessment of interest or penalties was caused by a breach of fiduciary duty of a representative.

(b) If the apportionment is not equitable, the court may apportion interest and penalties in an equitable manner.

(c) If the assessment of interest or penalties was caused by a breach of fiduciary duty of a representative, the court may charge the representative with the amount of the interest and penalties assessed attributable to the representative's conduct.

Added by Acts 2009.

(b) If the court determines that the proposed apportionment is not equitable, the court may apportion the expenses in an equitable manner.

Added by Acts 2009.

§124.013. Withholding of Estate Tax Share by Representative.

A representative who has possession of any estate property that is distributable to a person interested in the estate may withhold from that property an amount equal to the person's apportioned share of the estate tax.

Added by Acts 2009.

§124.014. Recovery of Estate Tax Share Not Withheld.

(a) If property includable in an estate does not come into possession of a representative obligated to pay the estate tax, the representative shall:

(1) recover from each person interested in the estate the amount of the estate tax apportioned to the person under this subchapter; or

(2) assign to persons affected by the tax obligation the representative's right of recovery.

(b) The obligation to recover a tax under Subsection (a) does not apply if:

(1) the duty is waived by the parties affected by the tax obligation or by the instrument under which the representative derives powers; or

Added by Acts 2009.

§124.015. Recovery of Unpaid Estate Tax; Reimbursement.

(a) A representative shall recover from any person interested in the estate the unpaid amount of the estate tax apportioned and charged to the person under this subchapter unless the representative determines in good faith that an attempt to recover the amount would be economically impractical.

(c) A person who is charged with or who pays an apportioned amount under Subsection (b) has a right of reimbursement for that amount from the person who failed to pay the tax. The representative may enforce the right of reimbursement, or the person who is charged with or who pays an apportioned amount under Subsection (b) may enforce the right of reimbursement directly by an assignment from the representative. A person assigned the right under this subsection is subrogated to the rights of the representative.

(d) A representative who has a right of reimbursement may petition a court to determine the right of reimbursement.

Added by Acts 2009.

§124.016. Time to Initiate Actions to Recover Unpaid Estate Tax.

(b) A representative who initiates an action under this subchapter within a reasonable time after the expiration of the 90-day period is not subject to any liability or surcharge because a portion of the estate tax apportioned to a person interested in the estate was collectible during a period after the death of the decedent but thereafter became uncollectible.

Added by Acts 2009.

§124.017. Tax or Death Duty Payable to Another State.

(a) A representative acting in another state may initiate an action in a court of this state to recover from a person interested in the estate who is domiciled in this state or owns property in this state subject to attachment or execution, a proportionate amount of:

(1) the federal estate tax;

(2) an estate tax payable to another state; or

(3) a death duty due by a decedent's estate to another state.

(b) In the action, a determination of apportionment by the court having jurisdiction of the administration of the decedent's estate in the other state is prima facie correct.

(c) This section applies only if the state in which the determination of apportionment was made provides a substantially similar remedy.

Added by Acts 2009.

§124.018. Payment of Expenses and Attorney's Fees.

If two or more individuals are ordered to be tested, the court may order that the testing of those individuals be done concurrently or sequentially.

(b) The court may enforce an order under this section by contempt.

Added by Acts 2009.

§204.054. Submission of Genetic Material by Other Relative under Certain Circumstances.

If a sample of an individual's genetic material that could identify another individual as the decedent's heir is not available for purposes of conducting genetic testing under this subchapter, the court, on a finding of good cause and that the need for genetic testing outweighs the legitimate interests of the individual to be tested, may order any of the following individuals to submit a sample of genetic material for the testing under circumstances the court considers just:

(1) a parent, sibling, or child of the individual whose genetic material is not available; or

(2) any other relative of that individual, as necessary to conduct the testing.

Added by Acts 2009.

§204.055. Genetic Testing of Deceased Individual.

On good cause shown, the court may order:

(1) genetic testing of a deceased individual under this subchapter; and

Added by Acts 2009.

§204.056. Criminal Penalty.

(a) An individual commits an offense if:

(1) the individual intentionally releases an identifiable sample of the genetic material of another individual that was provided for purposes of genetic testing ordered under this subchapter; and

(2) the release:

(A) is for a purpose not related to the proceeding to declare heirship; and

(B) was not ordered by the court or done in accordance with written permission obtained from the individual who provided the sample.

(b) An offense under this section is a Class A misdemeanor.

Added by Acts 2009.

§204.102. Presumption Regarding Results of Genetic Testing; Rebuttal.

The presumption under Section 160.505, Family Code:

Amended by Acts 2013.

If the results of genetic testing ordered under Subchapter B do not identify or exclude a tested individual as the ancestor of the individual described by Section 204.151:

(1) the court may not dismiss the proceeding to declare heirship; and

(2) the results of the genetic testing and other relevant evidence are admissible in the proceeding.

Added by Acts 2009.

(1) 30 days have elapsed since the date of the decedent's death;

(2) no petition for the appointment of a personal representative is pending or has been granted;

(3) the value of the estate assets on the date of the affidavit described by Subdivision (4), excluding homestead and exempt property, does not exceed $75,000;

(4) an affidavit that meets the requirements of Section 205.002 is filed with the clerk of the court that has jurisdiction and venue of the estate;

The affidavit used to transfer title to the homestead must be recorded in the deed records of a county in which the homestead is located.

(b) A bona fide purchaser for value may rely on an affidavit recorded under this section. A bona fide purchaser for value without actual or constructive notice of an heir who is not disclosed in the recorded affidavit acquires title to a homestead free of the interests of the undisclosed heir, but remains subject

(1) answerable for the payment, delivery, transfer, or issuance to any person having a prior right; and

(2) accountable to any personal representative appointed after the payment, delivery, transfer, or issuance.

(c) Each person who executed the affidavit is liable for any damage or loss to any person that arises from a payment, delivery, transfer, or issuance made in reliance on the affidavit.

(d) If a person to whom the affidavit is delivered refuses to pay, deliver, transfer, or issue property as provided by this section, the property may be recovered in an action brought for that purpose by or on behalf of the distributees entitled to the property on proof of the facts required to be stated in the affidavit.

Added by Acts 2009.

§205.008. Effect of Chapter.

(A) the trust is identified in the testator's will; and

(B) the terms of the trust are in:

(i) a written instrument, other than a will, executed before, with, or after the execution of the testator's will; or

(ii) another person's will if that person predeceased the testator.

(b) A devise under Subsection (a) is not invalid because the trust:

(1) is amendable or revocable; or

(2) was amended after the execution of the will or the testator's death.

(c) Unless the testator's will provides otherwise, property devised to a trust described by Subsection (a) is not held under a testamentary trust of the testator. The property:

(1) becomes part of the trust to which the property is devised; and

(2) must be administered and disposed of according to the provisions of the instrument establishing the trust, including any amendment to the instrument made before or after the testator's death.

(d) Unless the testator's will provides otherwise, a revocation or termination of the trust before the testator's death causes the devise to lapse.

Added by Acts 2009.

§254.002. Bequests to Certain Subscribing Witnesses.

(a) Except as provided by Subsection (c), if a devisee under a will is also a subscribing witness to the will and the will cannot be otherwise established:

(1) the bequest is void; and

(2) the subscribing witness shall be allowed and compelled to appear and give the witness's testimony in the same manner as if the bequest to the witness had not been made.

(b) Notwithstanding Subsection (a), if the subscribing witness described by that subsection would have been entitled to a share of the testator's estate had the testator died intestate, the witness is entitled to as much of that share as does not exceed the value of the bequest to the witness under the will.

(c) If the testimony of a subscribing witness described by Subsection (a) proving the will is corroborated by at least one disinterested and credible person who testifies that the subscribing witness's testimony is true and correct:

(1) the bequest to the subscribing witness is not void under Subsection (a); and

(2) the subscribing witness is not regarded as an incompetent or noncredible witness under Subchapters B and C, Chapter 251.

Added by Acts 2009.

§254.003. Devises to Certain Attorneys and Other Persons.

(1) a written agreement that is binding and enforceable; or

(2) a will stating:

(A) that a contract exists; and

(B) the material provisions of the contract.

(b) The execution of a joint will or reciprocal wills does not constitute by itself sufficient evidence of the existence of a contract.

Added by Acts 2009.

§254.005. Forfeiture Clause.

(a) A provision in a will that would cause a forfeiture of or void a devise or provision in favor of a person for bringing any court action, including contesting a will, is enforceable unless in a court action determining whether the forfeiture claims should be enforced, the person who brought the action contrary to the forfeiture clause establishes by a preponderance of the evidence that:

(1) just cause existed for bringing the action; and

(2) the action was brought and maintained in good faith.

(b) This section is not intended to and does not repeal any law recognizing that forfeiture clauses generally will not be construed to prevent a beneficiary from seeking to compel a fiduciary to perform the fiduciary's duties, seeking redress against a fiduciary for a breach of the fiduciary's duties, or seeking a judicial construction of a will or trust.

Amended by Acts 2015, eff. Sept. 1, 2015.

§254.006. Designation of Administrator.

(a) A testator may grant in a will to an executor named in the will or to another person identified by name, office, or function the authority to designate one or more persons to serve as administrator of the testator's estate.

(b) To be effective, a designation of an administrator of a testator's estate as authorized by a will under Subsection (a) must be in writing and acknowledged before an officer authorized to take acknowledgments and administer oaths.

(c) Unless the will provides otherwise, a person designated to serve as administrator of a testator's estate as provided by Subsection (a) may serve only if:

(1) each executor named in the testator's will:

(A) is deceased;

(B) is disqualified to serve as executor; or

(C) indicates by affidavit filed with the county clerk of the county in which the application for letters testamentary is filed or, if an application has not been filed, a county described by Section 33.001(a)(1) or (2) the executor's inability or unwillingness to serve as executor;

(2) the designation is effective as provided by Subsection (b); and

(3) the person is not disqualified from serving under Section 304.003.

(d) Unless the will or designation provides otherwise, a person designated as administrator of a testator's estate as provided by this section has the same rights, powers, and duties as an executor named in the will, including the right to serve as an independent administrator with the power to sell property without the need for consent of the distributees under Section 401.002 or 401.006.

Added by Acts 2019, eff. Sept. 1, 2019.

A legacy of personal property does not include any contents of the property unless the will directs that the contents are included in the legacy.

SUBCHAPTER B. SUCCESSION BY PRETERMITTED CHILD (§§255.051 - 255.056)

§255.051. Definition.

(1) mentioned in the testator's will;

(2) provided for in the testator's will; or

(3) otherwise provided for by the testator.

(b) For purposes of this subchapter, a child is provided for or a provision is made for a child if a disposition of property to or for the benefit of the pretermitted child, whether vested or contingent, is made:

(1) in the testator's will, including a devise to a trustee under Section 254.001; or

(2) outside the testator's will and is intended to take effect at the testator's death.

Added by Acts 2009.

§255.053. Succession by Pretermitted Child If Testator Has Living Child at Will's Execution.

(a) If no provision is made in the testator's last will for any child of the testator who is living when the testator executes the will, a pretermitted child succeeds to the portion of the testator's separate and community estate, other than any portion of the estate devised to the pretermitted child's other parent, to which the pretermitted child would have been entitled under Section 201.001 if the testator had died

intestate without a surviving spouse, except as limited by Section 255.056.

(b) If a provision, whether vested or contingent, is made in the testator's last will for one or more children of the testator who are living when the testator executes the will, a pretermitted child is entitled only to a portion of the disposition made to children under the will that is equal to the portion the child would have received if the testator had:

(1) included all of the testator's pretermitted children with the children on whom benefits were conferred under the will; and

(2) given an equal share of those benefits to each child.

(c) To the extent feasible, the interest in the testator's estate to which the pretermitted child is entitled under Subsection (b) must be of the same character, whether an equitable or legal life estate or in fee, as the interest that the testator conferred on the testator's children under the will.

Amended by Acts 2011.

§255.054. Succession by Pretermitted Child If Testator Has No Living Child at Will's Execution.

If a testator has no child living when the testator executes the testator's last will, a pretermitted child succeeds to the portion of the testator's separate and community estate, other than any portion of the estate devised to the pretermitted child's other parent, to which the pretermitted child would have been entitled under Section 201.001 if the testator had died intestate without a surviving spouse, except as limited by Section 255.056.

Amended by Acts 2011.

§255.055. Ratable Recovery by Pretermitted Child from Portions Passing to Other Beneficiaries.

(a) A pretermitted child may recover the share of the testator's estate to which the child is entitled from the testator's other children under Section 255.053(b) or from the testamentary beneficiaries under Sections 255.053(a) and 255.054, other than the pretermitted child's other parent, ratably, out of the portions of the estate passing to those persons under the will.

Added by Acts 2009.

§255.056. Limitation on Reduction of Estate Passing to Surviving Spouse.

If a pretermitted child's other parent is not the surviving spouse of the testator, the portion of the testator's estate to which the pretermitted child is entitled under Section 255.053(a) or 255.054 may not reduce the portion of the testator's estate passing to the testator's surviving spouse by more than one-half.

Added by Acts 2011.

SUBCHAPTER C. LIFETIME GIFTS AS SATISFACTION OF DEVISE (§§255.101 - 255.102)

§255.101. Certain Lifetime Gifts Considered Satisfaction of Devise.

(1) the testator's will provides for deduction of the lifetime gift from the devise;

(2) the testator declares in a contemporaneous writing that the lifetime gift is to be deducted from, or is in satisfaction of, the devise; or

(3) the devisee acknowledges in writing that the lifetime gift is in satisfaction of the devise.

Added by Acts 2009.

§255.102. Valuation of Property.

Property given in partial satisfaction of a devise shall be valued as of the earlier of:

(1) the date the devisee acquires possession of or enjoys the property; or

(2) the date of the testator's death.

Added by Acts 2009.

SUBCHAPTER D. FAILURE OF DEVISE; DISPOSITION OF PROPERTY TO DEVISEE WHO PREDECEASES TESTATOR (§§255.151 - 255.154)

§255.151. Applicability of Subchapter.

This Subchapter applies unless the testator's will provides otherwise. For example, a devise in the testator's will stating "to my surviving children" or "to such of my children as shall survive me" prevents the application of Sections 255.153 and 255.154.

Amended by Acts 2017, eff. Sept. 1, 2017.

§255.152. Failure of Devise; Effect on Residuary Estate.

(a) Except as provided by Sections 255.153 and 255.154, if a devise, other than a residuary devise, fails for any reason, the devise becomes a part of the residuary estate.

(b) Except as provided by Sections 255.153 and 255.154, if the residuary estate is devised to two or more persons and the share of one of the residuary devisees fails for any reason, that residuary devisee's share passes to the other residuary devisees, in proportion to the residuary devisee's interest in the residuary estate.

(c) Except as provided by Sections 255.153 and 255.154, the residuary estate passes as if the testator had died intestate if all residuary devisees:

  (1) are deceased at the time the testator's will is executed;

  (2) fail to survive the testator; or

  (3) are treated as if the residuary devisees predeceased the testator.

(d) Unless the will provides otherwise, Subsections (a), (b), and (c) do not apply to a devise to a charitable trust, as defined by Section 123.001, Property Code.

Added by Acts 2019, eff. Sept. 1, 2019.

§255.153. Disposition of Property to Certain Devisees Who Predecease Testator.

(a) If a devisee who is a descendant of the testator or a descendant of a testator's parent is deceased at the time the will is executed, fails to survive the testator, or is treated as if the devisee predeceased the testator by Chapter 121 or otherwise, the descendants of the devisee who survived the testator by 120 hours take the devised property in place of the devisee.

(b) Devised property to which Subsection (a) applies shall be divided into the number of shares equal to the total number of surviving descendants in the nearest degree of kinship to the devisee and deceased persons in the same degree of kinship to the devisee whose descendants survived the testator. Each surviving descendant in the nearest degree of kinship to the devisee receives one share, and the share of each deceased person in the same degree of kinship to the devisee whose descendants survived the testator is divided among the descendants by representation.

Added by Acts 2009.

§255.154. Devisee under Class Gift.

For purposes of this subchapter, a person who would have been a devisee under a class gift if the person had survived the testator is treated as a devisee unless the person died before the date the will was executed.

Added by Acts 2009.

SUBCHAPTER F. DEVISE OF SECURITIES (§§255.251 - 255.253)

§255.251. Definitions.

(2) "Stock" means securities.

Unless the will of a testator clearly provides otherwise, a devise of securities that are owned by the testator on the date the will is executed includes the following additional securities subsequently acquired by the testator as a result of the testator's ownership of the devised securities:

(1) securities of the same organization acquired because of an action initiated by the organization or any successor, related, or acquiring organization, including stock splits, stock dividends, and new issues of stock acquired in a reorganization, redemption, or exchange, other than securities acquired through the exercise of purchase options or through a plan of reinvestment; and

(2) securities of another organization acquired as a result of a merger, consolidation, reorganization, or other distribution by the organization or any successor, related, or acquiring organization, including stock splits, stock dividends, and new issues of stock acquired in a reorganization, redemption, or exchange, other than securities acquired through the exercise of purchase options or through a plan of reinvestment.

Added by Acts 2009.

§255.253. Cash Distribution Not Included in Devise.

Unless the will of a testator clearly provides otherwise, a devise of securities does not include a cash distribution relating to the securities that accrues before the testator's death, regardless of whether the distribution is paid before the testator's death.

Added by Acts 2009.

SUBCHAPTER G. EXONERATION OF DEBTS SECURED BY SPECIFIC DEVISES (§§255.301 - 255.304)

§255.301. No Right to Exoneration of Debts.

Except as provided by Section 255.302, a specific devise passes to the devisee subject to each debt secured by the property that exists on the date of the testator's death, and the devisee is not entitled to exoneration from the testator's estate for payment of the debt.

Added by Acts 2009.

§255.302. Exception.

A specific devise does not pass to the devisee subject to a debt described by Section 255.301 if the will in which the devise is made specifically states that the devise passes without being subject to the debt. A general provision in the will stating that debts are to be paid is not a specific statement for purposes of this section.

Added by Acts 2009.

§255.303. Rights of Certain Creditors and Other Persons.

(a) Section 255.301 does not affect the rights of creditors provided under this title or the rights of other persons or entities provided under Chapters 102 and 353.

(b) A debt described by Section 255.301 that a creditor elects to have allowed and approved as a matured secured claim shall be paid in accordance with Sections 355.153(b), (c), (d), and (e).

Added by Acts 2009.

§255.304. Applicability of Subchapter.

(A) the bond has been increased or an additional bond given, as required by the order, with the sureties required by law; and

(B) the increased bond or additional bond has been approved by the judge and filed with the clerk of the court in which the proceedings are pending.

(a) A lease executed and delivered in compliance with this subchapter is valid and binding on the property or interest in property owned by the estate and covered by the lease for the full term provided by the lease, subject only to the lease's terms and conditions, even if the primary term extends beyond the date the estate is closed in accordance with law.

(b) The authorized primary term of the lease may not exceed five years, subject to the lease terms and provisions extending the lease beyond the primary term by:

(1) paying production;

(2) bona fide drilling or reworking operations, whether in or on the same well or wells or an additional well or wells, without a cessation of operations of more than 60 consecutive days before production has been restored or obtained; or

(a) Notwithstanding the mandatory requirements of Subchapter B for setting a time and place for hearing of a lease application filed under Section 358.052 and the issuance, service, and return of notice, the court may authorize the making of oil, gas, and mineral leases at private sale without public notice or advertising if, in the court's opinion, facts are set out in the application required by Subchapter B sufficient to show that it would be more advantageous to the estate that a lease be made privately and without compliance with those mandatory requirements.

(b) Leases authorized by this section may include pooling provisions or unitization clauses as in other cases.

Added by Acts 2009.

§358.102. Action of Court If Public Advertising Not Required.

(3) hear evidence for or against the application.

(b) If satisfied that the lease has been or will be made for a fair and sufficient consideration and on fair terms and has been or will be properly made in conformity with law, the court shall enter an order authorizing the execution of the lease without the necessity of advertising, notice, or citation. The order must comply in all other respects with the requirements essential to the validity of mineral leases as set out in Subchapter B, as if advertising or notice were required.

(c) The issuance of an order confirming a lease or leases made at private sale is not required, but such a lease is not valid until any increased or additional bond required by the court has been approved by the court and filed with the court clerk.

(1) the pool or unit to which the agreement relates will be operated in a manner that protects correlative rights or prevents the physical or economic waste of oil, liquid hydrocarbons, gas, gaseous elements, or other minerals subject to the agreement; and

(2) it is in the best interest of the estate to execute the agreement.

(b) An agreement authorized under Subsection (a) may, among other things, provide that:

(1) operations incident to the drilling of or production from a well on any portion of a pool or unit shall be considered for all purposes to be the conduct of operations on or production from each separately owned tract in the pool or unit;

(2) any lease covering any part of the area committed to a pool or unit continues in effect in its entirety as long as:

(A) oil, gas, or other minerals subject to the agreement are produced in paying quantities from any part of the pooled or unitized area;

(B) operations are conducted as provided in the lease on any part of the pooled or unitized area; or

(C) there is a shut-in gas well on any part of the pooled or unitized area, if the presence of the shut-in gas well is a ground for continuation of the lease under the terms of the lease;

(3) the production allocated by the agreement to each tract included in a pool or unit shall, when produced, be considered for all purposes to have been produced from the tract by a well drilled on the tract;

(4) the royalties provided for on production from any tract or portion of a tract within the pool or unit shall be paid only on that portion of the production allocated to the tract in accordance with the agreement;

(5) the dry gas, before or after extraction of hydrocarbons, may be returned to a formation underlying any land or leases committed to the agreement, and that royalties are not required to be paid on the gas returned; and

(6) gas obtained from other sources or other land may be injected into a formation underlying any land or leases committed to the agreement, and that royalties are not required to be paid on the gas injected when the gas is produced from the unit.

Added by Acts 2009.

(c) The hearing may be continued from day to day and from time to time as the court finds necessary.

Added by Acts 2009.

§358.155. Action of Court and Contents of Order.

(a) The court shall enter an order setting out the court's findings and authorizing execution of the proposed pooling or unitization agreement, with or without payment of cash consideration according to the agreement, if the court finds that:

(1) the pool or unit to which the agreement relates will be operated in a manner that protects correlative rights or prevents the physical or economic waste of oil, liquid hydrocarbons, gas, gaseous elements, or other minerals subject to the agreement;

(2) it is in the best interest of the estate that the agreement be executed; and

(3) the agreement conforms substantially with the permissible provisions of Section 358.151.

(b) If cash consideration is to be paid for the agreement, the court shall also make findings as to the necessity of increased or additional bond, as in the making of leases on payment of the cash bonus for the lease. Such an agreement is not valid until any required increased or additional bond has been approved by the judge and filed with the clerk.

(c) If the effective date of the agreement is not stipulated in the agreement, the effective date of the agreement is the date of the court's order.

Added by Acts 2009.

SUBTITLE I. INDEPENDENT ADMINISTRATION (Ch. 401 - 405)

CHAPTER 401. CREATION

§401.001. Expression of Testator's Intent in Will.

(a) Any person capable of making a will may provide in the person's will that no other action shall be had in the probate court in relation to the settlement of the person's estate than the probating and recording of the will and the return of any required inventory, appraisement, and list of claims of the person's estate.

(b) Any person capable of making a will may provide in the person's will that no independent administration of his or her estate may be allowed. In such case the person's estate, if administered, shall be administered and settled under the direction of the probate court as other estates are required to be settled and not as an independent administration.

Amended by Acts 2013.

§401.002. Creation in Testate Estate by Agreement.

(a) Except as provided in Section 401.001(b), if a decedent's will names an executor but the will does not provide for independent administration as provided in Section 401.001(a), all of the distributees of the decedent may agree on the advisability of having an independent administration and collectively designate in the application for probate of the decedent's will, or in one or more separate documents consenting to the application for probate of the decedent's will, the executor named in the will to serve as independent executor and request that no other action shall be had in the probate court in relation to the settlement of the decedent's estate other than the probating and recording of the decedent's will and the return of an inventory, appraisement, and list of claims of the decedent's estate. In such case the probate court shall enter an order granting independent administration and appointing the person, firm, or corporation designated by the distributees as independent executor, unless the court finds that it would not be in the best interest of the estate to do so.

(b) Except as provided in Section 401.001(b), in situations where no executor is named in the decedent's

will, or in situations where each executor named in the will is deceased or is disqualified to serve as executor or indicates by affidavit filed with the application for administration of the decedent's estate the executor's inability or unwillingness to serve as executor, all of the distributees of the decedent may agree on the advisability of having an independent administration and collectively designate in the application for probate of the decedent's will, or in one or more separate documents consenting to the application for probate of the decedent's will, a qualified person, firm, or corporation to serve as independent administrator and request that no other action shall be had in the probate court in relation to the settlement of the decedent's estate other than the probating and recording of the decedent's will and the return of an inventory, appraisement, and list of claims of the decedent's estate. In such case the probate court shall enter an order granting independent administration and appointing the person, firm, or corporation designated by the distributees as independent administrator, unless the court finds that it would not be in the best interest of the estate to do so.

Amended by Acts 2015, eff. Sept. 1, 2015.

§401.003. Creation in Intestate Estate by Agreement.

(a) All of the distributees of a decedent dying intestate may agree on the advisability of having an independent administration and collectively designate in the application for administration of the decedent's estate, or in one or more separate documents consenting to the application for administration of the decedent's estate, a qualified person, firm, or corporation to serve as independent administrator and request that no other action shall be had in the probate court in relation to the settlement of the decedent's estate other than the return of an inventory, appraisement, and list of claims of the decedent's estate. In such case the probate court shall enter an order granting independent administration and appointing the person, firm, or corporation designated by the distributees as independent administrator, unless the court finds that it would not be in the best interest of the estate to do so.

(b) The court may not appoint an independent administrator to serve in an intestate administration unless and until the parties seeking appointment of the independent administrator have been determined, through a proceeding to declare heirship under Chapter 202, to constitute all of the decedent's heirs.

Amended by Acts 2015, eff. Sept. 1, 2015.

§401.004. Means of Establishing Distributee Consent.

(a) This section applies to the creation of an independent administration under Section 401.002 or 401.003.

(b) All distributees shall be served with citation and notice of the application for independent administration unless the distributee waives the issuance or service of citation or enters an appearance in court.

(c) If a distributee is an incapacitated person, the guardian of the person of the distributee may consent to the creation of an independent administration on behalf of the distributee. If the probate court finds that either the granting of independent administration or the appointment of the person, firm, or corporation designated by the distributees as independent executor would not be in the best interest of the incapacitated person, then, notwithstanding anything to the contrary in Section 401.002 or 401.003, the court may not enter an order granting independent administration of the estate. If a distributee who is an incapacitated person has no guardian of the person, the probate court may appoint a guardian ad litem to act on behalf of the incapacitated person if the court considers such an appointment necessary to protect the interest of the distributees. Alternatively, if the distributee who is an incapacitated person is a minor and has no guardian of the person, the natural guardian or guardians of the minor may consent on the minor's behalf if there is no conflict of interest between the minor and the natural guardian or

guardians.

(d) If a trust is created in the decedent's will or if the decedent's will devises property to a trustee as described by Section 254.001, the person or class of persons entitled to receive property outright from the trust on the decedent's death and those first eligible to receive the income from the trust, when determined as if the trust were to be in existence on the date of the decedent's death, shall, for the purposes of Section 401.002, be considered to be the distributee or distributees on behalf of the trust, and any other trust or trusts coming into existence on the termination of the trust, and are authorized to apply for independent administration on behalf of the trusts without the consent or agreement of the trustee or any other beneficiary of the trust, or the trustee or any beneficiary of any other trust which may come into existence on the termination of the trust. If a trust beneficiary who is considered to be a distributee under this subsection is an incapacitated person, the trustee or cotrustee may file the application or give the consent, provided that the trustee or cotrustee is not the person proposed to serve as the independent executor.

(e) If a life estate is created either in the decedent's will or by law, the life tenant or life tenants, when determined as if the life estate were to commence on the date of the decedent's death, shall, for the purposes of Section 401.002 or 401.003, be considered to be the distributee or distributees on behalf of the entire estate created, and are authorized to apply for independent administration on behalf of the estate without the consent or approval of any remainderman.

(f) If a decedent's will contains a provision that a distributee must survive the decedent by a prescribed period of time in order to take under the decedent's will, then, for the purposes of determining who shall be the distributee under Section 401.002 and under Subsection (c), it shall be presumed that the distributees living at the time of the filing of the application for probate of the decedent's will survived the decedent by the prescribed period.

(g) In the case of all decedents, whether dying testate or intestate, for the purposes of determining who shall be the distributees under Section 401.002 or 401.003 and under Subsection (c), it shall be presumed that no distributee living at the time the application for independent administration is filed shall subsequently disclaim any portion of the distributee's interest in the decedent's estate.

(h) If a distributee of a decedent's estate dies and if by virtue of the distributee's death the distributee's share of the decedent's estate becomes payable to the distributee's estate, the deceased distributee's personal representative may consent to the independent administration of the decedent's estate under Section 401.002 or 401.003 and under Subsection (c).

Amended by Acts 2015, eff. Sept. 1, 2015.

§401.005. Bond; Waiver of Bond.

(a) If an independent administration of a decedent's estate is created under Section 401.002 or 401.003, then, unless the probate court waives bond on application for waiver, the independent executor shall be required to enter into bond payable to and to be approved by the judge and the judge's successors in a sum that is found by the judge to be adequate under all circumstances, or a bond with one surety in a sum that is found by the judge to be adequate under all circumstances, if the surety is an authorized corporate surety.

(a-1) If a decedent's will does not contain language directing that no bond or security be required of a person named as executor, unless the court finds that it would not be in the best interest of the estate, the court may waive the requirement of a bond if all of the distributees of the decedent agree to the waiver of

bond in:

(1) the application for probate of the decedent's will; or

(2) one or more separate documents consenting to the application for probate of the decedent's will.

(b) This section does not repeal any other section of this title.

Amended by Acts 2019, eff. Sept. 1, 2019.

§401.006. Granting Power of Sale by Agreement.

In a situation in which a decedent does not have a will, or a decedent's will does not contain language authorizing the personal representative to sell property or contains language that is not sufficient to grant the representative that authority, the court may include in an order appointing an independent executor any general or specific authority regarding the power of the independent executor to sell property that may be consented to by the distributees who are to receive any interest in the property in the application for independent administration or for the appointment of an independent executor or in their consents to the independent administration or to the appointment of an independent executor. The independent executor, in such event, may sell the property under the authority granted in the court order without the further consent of those distributees.

Amended by Acts 2017, eff. Sept. 1, 2017.

§401.007. No Liability of Judge.

Absent proof of fraud or collusion on the part of a judge, no judge may be held civilly liable for the commission of misdeeds or the omission of any required act of any person, firm, or corporation designated as an independent executor under Section 401.002 or 401.003. Section 351.354 does not apply to the appointment of an independent executor under Section 401.002 or 401.003.

Added by Acts 2011.

§401.008. Person Declining to Serve.

A person who declines to serve or resigns as independent executor of a decedent's estate may be appointed an executor or administrator of the estate if the estate will be administered and settled under the direction of the court.

Added by Acts 2011.

CHAPTER 402. ADMINISTRATION

SUBCHAPTER A. GENERAL PROVISIONS (§§402.001 - 402.002)

§402.001. General Scope and Exercise of Powers.

When an independent administration has been created, and the order appointing an independent executor has been entered by the probate court, and the inventory, appraisement, and list of claims has been filed by the independent executor and approved by the court or an affidavit in lieu of the inventory, appraisement, and list of claims has been filed by the independent executor, as long as the estate is represented by an independent executor, further action of any nature may not be had in the probate court except where this title specifically and explicitly provides for some action in the court.

Added by Acts 2011.

§402.002. Independent Executors May Act Without Court Approval.

Unless this title specifically provides otherwise, any action that a personal representative subject to court supervision may take with or without a court order may be taken by an independent executor without a court order. The other provisions of this subtitle are designed to provide additional guidance regarding independent administrations in specified situations, and are not designed to limit by omission or otherwise the application of the general principles set forth in this chapter.

Added by Acts 2011.

§402.003. Digital Assets.

The court, either at the time the independent executor of an estate is appointed or at any time before the administration of the estate is closed, may enter an order that:

(1) directs disclosure of the content of electronic communications of the decedent to the independent executor as provided by Section 2001.101 and that contains any court finding described by Section 2001.101(b)(3);

(2) with respect to a catalog of electronic communications sent or received by the decedent and other digital assets of the decedent, other than the content of an electronic communication, contains any court finding described by Section 2001.102(b)(4); or

(3) directs under Section 2001.231 a custodian to comply with a request to disclose digital assets under Chapter 2001.

Added by Acts 2019, eff. Sept. 1, 2019.

SUBCHAPTER B. POWER OF SALE (§§402.051 - 402.054)

§402.051. Definition of Independent Executor.

In this subchapter, "independent executor" does not include an independent administrator.

Added by Acts 2011.

§402.052. Power of Sale of Estate Property Generally.

Unless limited by the terms of a will, an independent executor, in addition to any power of sale of estate property given in the will, and an independent administrator have the same power of sale for the same purposes as a personal representative has in a supervised administration, but without the requirement of court approval. The procedural requirements applicable to a supervised administration do not apply.

Added by Acts 2011.

§402.053. Protection of Person Purchasing Estate Property.

(a) A person who is not a devisee or heir is not required to inquire into the power of sale of estate property of the independent executor or independent administrator or the propriety of the exercise of the power of sale if the person deals with the independent executor or independent administrator in good faith and:

(1) a power of sale is granted to the independent executor in the will;

(2) a power of sale is granted under Section 401.006 in the court order appointing the independent executor or independent administrator; or

(3) the independent executor or independent administrator provides an affidavit, executed and sworn

to under oath and recorded in the deed records of the county where the property is located, that the sale is necessary or advisable for any of the purposes described in Section 356.251(1).

(b) As to acts undertaken in good faith reliance, the affidavit described by Subsection (a)(3) is conclusive proof, as between a purchaser of property from the estate, and the personal representative of an estate or the heirs and distributees of the estate, with respect to the authority of the independent executor or independent administrator to sell the property. The signature or joinder of a devisee or heir who has an interest in the property being sold as described in this section is not necessary for the purchaser to obtain all right, title, and interest of the estate in the property being sold.

(c) This subchapter does not relieve the independent executor or independent administrator from any duty owed to a devisee or heir in relation, directly or indirectly, to the sale.

Added by Acts 2011.

§402.054. No Limitation on Other Action.

This subchapter does not limit the authority of an independent executor to take any other action without court supervision or approval with respect to estate assets that may take place in a supervised administration, for purposes and within the scope otherwise authorized by this title, including the authority to enter into a lease and to borrow money.

Added by Acts 2011.

CHAPTER 403. EXEMPTIONS AND ALLOWANCES; CLAIMS

SUBCHAPTER A. EXEMPTIONS AND ALLOWANCES (§403.001)

§403.001. Setting Aside Exempt Property and Allowances.

The independent executor shall set aside and deliver to those entitled exempt property and allowances for support, and allowances in lieu of exempt property, as prescribed in this title, to the same extent and result as if the independent executor's actions had been accomplished in, and under orders of, the court.

Added by Acts 2011.

SUBCHAPTER B. CLAIMS (§§403.051 - 403.060)

§403.051. Duty of Independent Executor.

(a) An independent executor, in the administration of an estate, independently of and without application to, or any action in or by the court:

    (1) shall give the notices required under Sections 308.051 and 308.053;

    (2) may give the notice to an unsecured creditor with a claim for money permitted under Section 308.054 and bar a claim under Section 403.055; and

    (3) may approve or reject any claim, or take no action on a claim, and shall classify and pay claims approved or established by suit against the estate in the same order of priority, classification, and proration prescribed in this title.

(b) To be effective, the notice prescribed under Subsection (a)(2) must include, in addition to the other information required by Section 308.054, a statement that a claim may be effectively presented by only one of the methods prescribed by this subchapter.

Added by Acts 2011.

§403.052. Secured Claims for Money.

Within six months after the date letters are granted or within four months after the date notice is received under Section 308.053, whichever is later, a creditor with a claim for money secured by property of the estate must give notice to the independent executor of the creditor's election to have the creditor's claim approved as a matured secured claim to be paid in due course of administration. In addition to giving the notice within this period, a creditor whose claim is secured by real property shall record a notice of the creditor's election under this section in the deed records of the county in which the real property is located. If no election to be a matured secured creditor is made, or the election is made, but not within the prescribed period, or is made within the prescribed period but the creditor has a lien against real property and fails to record notice of the claim in the deed records as required within the prescribed period, the claim shall be a preferred debt and lien against the specific property securing the indebtedness and shall be paid according to the terms of the contract that secured the lien, and the claim may not be asserted against other assets of the estate. The independent executor may pay the claim before maturity if it is determined to be in the best interest of the estate to do so.

Added by Acts 2011.

§403.053. Matured Secured Claims.

(a) A claim approved as a matured secured claim under Section 403.052 remains secured by any lien or security interest against the specific property securing payment of the claim but subordinated to the payment from the property of claims having a higher classification under Section 355.102. However, the secured creditor:

 (1) is not entitled to exercise any remedies in a manner that prevents the payment of the higher priority claims and allowances; and

 (2) during the administration of the estate, is not entitled to exercise any contractual collection rights, including the power to foreclose, without either the prior written approval of the independent executor or court approval.

(b) Subsection (a) may not be construed to suspend or otherwise prevent a creditor with a matured secured claim from seeking judicial relief of any kind or from executing any judgment against an independent executor. Except with respect to real property, any third party acting in good faith may obtain good title with respect to an estate asset acquired through a secured creditor's extrajudicial collection rights, without regard to whether the creditor had the right to collect the asset or whether the creditor acted improperly in exercising those rights during an estate administration due to having elected matured secured status.

(c) If a claim approved or established by suit as a matured secured claim is secured by property passing to one or more devisees in accordance with Subchapter G, Chapter 255, the independent executor shall collect from the devisees the amount of the debt and pay that amount to the claimant or shall sell the property and pay out of the sale proceeds the claim and associated expenses of sale consistent with the provisions of Sections 355.153(b), (c), (d), and (e) applicable to court supervised administrations.

Added by Acts 2011.

§403.054. Preferred Debt and Lien Claims.

property securing the indebtedness under Section 403.052 is free to exercise any judicial or extrajudicial collection rights, including the right to foreclosure and execution; provided, however, that the creditor does not have the right to conduct a nonjudicial foreclosure sale within six months after letters are granted.

Added by Acts 2011.

§403.055. Certain Unsecured Claims; Barring of Claims.

An unsecured creditor who has a claim for money against an estate and who receives a notice under Section 308.054 shall give to the independent executor notice of the nature and amount of the claim before the 121st day after the date the notice is received or the claim is barred.

Amended by Acts 2013.

§403.056. Notices Required by Creditors.

(a) Notice to the independent executor required by Sections 403.052 and 403.055 must be contained in:

  (1) a written instrument that complies with Section 355.004 and is sent by a qualified delivery method to the independent executor or the executor's attorney;

  (2) a pleading filed in a lawsuit with respect to the claim; or

  (3) a written instrument that complies with Section 355.004 or pleading filed in the court in which the administration of the estate is pending.

(b) This section does not exempt a creditor who elects matured secured status from the filing requirements of Section 403.052, to the extent those requirements are applicable.

Amended by Acts 2023, eff. Sept. 1, 2023.

§403.057. Statute of Limitations.

Except as otherwise provided by Section 16.062, Civil Practice and Remedies Code, the running of the statute of limitations shall be tolled only by a written approval of a claim signed by an independent executor, a pleading filed in a suit pending at the time of the decedent's death, or a suit brought by the creditor against the independent executor. In particular, the presentation of a statement or claim, or a notice with respect to a claim, to an independent executor does not toll the running of the statute of limitations with respect to that claim.

Added by Acts 2011.

§403.058. Other Claim Procedures Generally Do Not Apply.

Except as otherwise provided by this subchapter, the procedural provisions of this title governing creditor claims in supervised administrations do not apply to independent administrations. By way of example, but not as a limitation:

(1) Sections 355.064 and 355.066 do not apply to independent administrations, and consequently a creditor's claim may not be barred solely because the creditor failed to file a suit not later than the 90th day after the date an independent executor rejected the claim or with respect to a claim for which the independent executor takes no action; and

(2) Sections 355.156, 355.157, 355.158, 355.159, and 355.160 do not apply to independent administrations.

Added by Acts 2011.

§403.0585. Liability of Independent Executor for Payment of a Claim.

An independent executor, in the administration of an estate, may pay at any time and without personal liability a claim for money against the estate to the extent approved and classified by the independent executor if:

(1) the claim is not barred by limitations; and

(2) at the time of payment, the independent executor reasonably believes the estate will have sufficient assets to pay all claims against the estate.

Added by Acts 2011.

§403.059. Enforcement of Claims by Suit.

Any person having a debt or claim against the estate may enforce the payment of the same by suit against the independent executor; and, when judgment is recovered against the independent executor, the execution shall run against the estate of the decedent in the possession of the independent executor that is subject to the debt. The independent executor shall not be required to plead to any suit brought against the executor for money until after six months after the date that an independent administration was created and the order appointing the executor was entered by the probate court.

Added by Acts 2011.

§403.060. Requiring Heirs to Give Bond.

When an independent administration is created and the order appointing an independent executor is entered by the probate court, any person having a debt against the estate may, by written complaint filed in the probate court in which the order was entered, cause all distributees of the estate, heirs at law, and other persons entitled to any portion of the estate under the will, if any, to be cited by personal service to appear before the court and execute a bond for an amount equal to the amount of the creditor's claim or the full value of the estate, as shown by the inventory and list of claims, whichever is smaller. The bond must be payable to the judge, and the judge's successors, and be approved by the judge, and conditioned that all obligors shall pay all debts that shall be established against the estate in the manner provided by law. On the return of the citation served, unless a person so entitled to any portion of the estate, or some of them, or some other person for them, shall execute the bond to the satisfaction of the probate court, the estate shall be administered and settled under the direction of the probate court as other estates are required to be settled. If the bond is executed and approved, the independent administration shall proceed. Creditors of the estate may sue on the bond, and shall be entitled to judgment on the bond for the amount of their debt, or they may have their action against those in possession of the estate.

Added by Acts 2011.

CHAPTER 404. ACCOUNTINGS, SUCCESSORS, AND OTHER REMEDIES

§404.001. Accounting.

(a) At any time after the expiration of 15 months after the date that the court clerk first issues letters testamentary or of administration to any personal representative of an estate, any person interested in the estate may demand an accounting from the independent executor. The independent executor shall furnish to the person or persons making the demand an exhibit in writing, sworn and subscribed by the independent executor, setting forth in detail:

    (1) the property belonging to the estate that has come into the executor's possession as executor;

(2) the disposition that has been made of the property described by Subdivision (1);

(3) the debts that have been paid;

(4) the debts and expenses, if any, still owing by the estate;

(5) the property of the estate, if any, still remaining in the executor's possession;

(6) other facts as may be necessary to a full and definite understanding of the exact condition of the estate; and

(7) the facts, if any, that show why the administration should not be closed and the estate distributed.

(a-1) Any other interested person shall, on demand, be entitled to a copy of any exhibit or accounting that has been made by an independent executor in compliance with this section.

(b) Should the independent executor not comply with a demand for an accounting authorized by this section within 60 days after receipt of the demand, the person making the demand may compel compliance by an action in the probate court. After a hearing, the court shall enter an order requiring the accounting to be made at such time as it considers proper under the circumstances.

(c) After an initial accounting has been given by an independent executor, any person interested in an estate may demand subsequent periodic accountings at intervals of not less than 12 months, and such subsequent demands may be enforced in the same manner as an initial demand.

(d) The right to an accounting accorded by this section is cumulative of any other remedies which persons interested in an estate may have against the independent executor of the estate.

Amended by Acts 2013.

§404.002. Requiring Independent Executor to Give Bond.

When it has been provided by will, regularly probated, that an independent executor appointed by the will shall not be required to give bond for the management of the estate devised by the will, or the independent executor is not required to give bond because bond has been waived by court order as authorized under Section 401.005, then the independent executor may be required to give bond, on proper proceedings had for that purpose as in the case of personal representatives in a supervised administration, if it be made to appear at any time that the independent executor is mismanaging the property, or has betrayed or is about to betray the independent executor's trust, or has in some other way become disqualified.

Added by Acts 2011.

§404.003. Removal of Independent Executor Without Notice.

The probate court, on the court's own motion or on the motion of any interested person, and without notice, may remove an independent executor appointed under this subtitle when:

(1) the independent executor cannot be served with notice or other processes because:

(A) the independent executor's whereabouts are unknown;

(B) the independent executor is eluding service; or

(C) the independent executor is a nonresident of this state without a designated resident agent; or

(2) sufficient grounds appear to support a belief that the independent executor has misapplied or embezzled, or is about to misapply or embezzle, all or part of the property committed to the independent executor's

care.

Amended by Acts 2013.

§404.0035. Removal of Independent Executor with Notice.

(a) The probate court, on the court's own motion, may remove an independent executor appointed under this subtitle after providing 30 days' written notice of the court's intention to the independent executor, requiring answering at a time and place set in the notice, by a qualified delivery method to the independent executor's last known address and to the last known address of the independent executor's attorney of record, if the independent executor:

(1) neglects to qualify in the manner and time required by law;

(2) fails to return, before the 91st day after the date the independent executor qualifies, either an inventory of the estate property and a list of claims that have come to the independent executor's knowledge or an affidavit in lieu of the inventory, appraisement, and list of claims, unless that deadline is extended by court order; or

(3) fails to timely file the affidavit or certificate required by Section 308.004.

(b) The probate court, on its own motion or on motion of any interested person, after the independent executor has been cited by personal service to answer at a time and place set in the notice, may remove an independent executor when:

(1) the independent executor fails to make an accounting which is required by law to be made;

(2) the independent executor is proved to have been guilty of gross misconduct or gross mismanagement in the performance of the independent executor's duties;

(3) the independent executor becomes an incapacitated person, or is sentenced to the penitentiary, or from any other cause becomes legally incapacitated from properly performing the independent executor's fiduciary duties; or

(4) the independent executor becomes incapable of properly performing the independent executor's fiduciary duties due to a material conflict of interest.

Amended by Acts 2023, eff. Sept. 1, 2023.

§404.0036. Removal Order.

(a) The order of removal of an independent executor shall state the cause of removal and shall direct by order the disposition of the assets remaining in the name or under the control of the removed independent executor. The order of removal shall require that letters issued to the removed independent executor shall be surrendered and that all letters shall be canceled of record.

(b) If an independent executor is removed by the court under Section 404.003 or 404.0035, the court may, on application, appoint a successor independent administrator as provided by Section 404.005.

Amended by Acts 2021, eff. Sept. 1, 2021.

§404.0037. Costs and Expenses Related to Removal of Independent Executor.

(a) An independent executor who defends an action for the independent executor's removal in good faith, whether successful or not, shall be allowed out of the estate the independent executor's necessary expenses and disbursements, including reasonable attorney's fees, in the removal proceedings.

(b) Costs and expenses incurred by the party seeking removal that are incident to removal of an independent executor appointed without bond, including reasonable attorney's fees and expenses, may be paid out of the estate.

Amended by Acts 2013.

§404.004. Powers of an Administrator Who Succeeds an Independent Executor.

(a) Whenever a person has died, or shall die, testate, owning property in this state, and the person's will has been or shall be admitted to probate by the court, and the probated will names an independent executor or executors, or trustees acting in the capacity of independent executors, to execute the terms and provisions of that will, and the will grants to the independent executor, or executors, or trustees acting in the capacity of independent executors, the power to raise or borrow money and to mortgage, and the independent executor, or executors, or trustees, have died or shall die, resign, fail to qualify, or be removed from office, leaving unexecuted parts or portions of the will of the testator, and an administrator with the will annexed is appointed by the probate court, and an administrator's bond is filed and approved by the court, then in all such cases, the court may, in addition to the powers conferred on the administrator under other provisions of the laws of this state, authorize, direct, and empower the administrator to do and perform the acts and deeds, clothed with the rights, powers, authorities, and privileges, and subject to the limitations, set forth in the subsequent provisions of this section.

(b) The court, on application, citation, and hearing, may, by its order, authorize, direct, and empower the administrator to raise or borrow such sums of money and incur such obligations and debts as the court shall, in its said order, direct, and to renew and extend same from time to time, as the court, on application and order, shall provide; and, if authorized by the court's order, to secure such loans, obligations, and debts, by pledge or mortgage on property or assets of the estate, real, personal, or mixed, on such terms and conditions, and for such duration of time, as the court shall consider to be in the best interests of the estate, and by its order shall prescribe; and all such loans, obligations, debts, pledges, and mortgages shall be valid and enforceable against the estate and against the administrator in the administrator's official capacity.

(c) The court may order and authorize the administrator to have and exercise the powers and privileges set forth in Subsection (a) or (b) only to the extent that same are granted to or possessed by the independent executor, or executors, or trustees acting in the capacity of independent executors, under the terms of the probated will of the decedent, and then only in such cases as it appears, at the hearing of the application, that at the time of the appointment of the administrator, there are outstanding and unpaid obligations and debts of the estate, or of the independent executor, or executors, or trustees, chargeable against the estate, or unpaid expenses of administration, or when the court appointing the administrator orders the business of the estate to be carried on and it becomes necessary, from time to time, under orders of the court, for the administrator to borrow money and incur obligations and indebtedness in order to protect and preserve the estate.

(d) The court, in addition, may, on application, citation, and hearing, order, authorize, and empower the administrator to assume, exercise, and discharge, under the orders and directions of the court, made from time to time, all or such part of the rights, powers, and authorities vested in and delegated to, or possessed by, the independent executor, or executors, or trustees acting in the capacity of independent executors, under the terms of the will of the decedent, as the court finds to be in the best interests of the estate and shall, from time to time, order and direct.

(e) The granting to the administrator by the court of some, or all, of the powers and authorities set forth in

this section shall be on application filed by the administrator with the county clerk, setting forth such facts as, in the judgment of the administrator, require the granting of the power or authority requested.

(f) On the filing of an application under Subsection (e), the clerk shall issue citation to all persons interested in the estate, stating the nature of the application, and requiring those persons to appear on the return day named in such citation and show cause why the application should not be granted, should they choose to do so. The citation shall be served by posting.

(g) The court shall hear the application and evidence on the application, on or after the return day named in the citation, and, if satisfied a necessity exists and that it would be in the best interests of the estate to grant the application in whole or in part, the court shall so order; otherwise, the court shall refuse the application.

Added by Acts 2011.

§404.005. Court-appointed Successor Independent Administrator.

(a) If the will of a person who dies testate names an independent executor who, having qualified, fails for any reason to continue to serve, or is removed for cause by the court, and the will does not name a successor independent executor or if each successor executor named in the will fails for any reason to qualify as executor or indicates by affidavit filed with the application for an order continuing independent administration the successor executor's inability or unwillingness to serve as successor independent executor, all of the distributees of the decedent as of the filing of the application for an order continuing independent administration may apply to the probate court for the appointment of a qualified person, firm, or corporation to serve as successor independent administrator. If the probate court finds that continued administration of the estate is necessary, the court shall enter an order continuing independent administration and appointing the person, firm, or corporation designated in the application as successor independent administrator, unless the probate court finds that it would not be in the best interest of the estate to do so. The successor independent administrator shall serve with all of the powers and privileges granted to the successor's predecessor independent executor.

(b) Except as otherwise provided by this subsection, if a distributee described in this section is an incapacitated person, the guardian of the person of the distributee may sign the application on behalf of the distributee. If the probate court finds that either the continuing of independent administration or the appointment of the person, firm, or corporation designated in the application as successor independent administrator would not be in the best interest of the incapacitated person, then, notwithstanding Subsection (a), the court may not enter an order continuing independent administration of the estate. If the distributee is an incapacitated person and has no guardian of the person, the court may appoint a guardian ad litem to make application on behalf of the incapacitated person if the probate court considers such an appointment necessary to protect the interest of that distributee. If a distributee described in this section is a minor and has no guardian of the person, a natural guardian of the minor may sign the application for the order continuing independent administration on the minor's behalf unless a conflict of interest exists between the minor and the natural guardian.

(c) Except as otherwise provided by this subsection, if a trust is created in the decedent's will or if the decedent's will devises property to a trustee as described by Section 254.001, the person or class of persons entitled to receive property outright from the trust on the decedent's death and those first eligible to receive the income from the trust, determined as if the trust were to be in existence on the date of the filing of the application for an order continuing independent administration, shall, for the purposes of this section, be considered to be the distributee or distributees on behalf of the trust, and any other trust

or trusts coming into existence on the termination of the trust, and are authorized to apply for an order continuing independent administration on behalf of the trust without the consent or agreement of the trustee or any other beneficiary of the trust, or the trustee or any beneficiary of any other trust which may come into existence on the termination of the trust. If a person considered to be a distributee under this subsection is an incapacitated person, the trustee or cotrustee may apply for the order continuing independent administration or sign the application on the incapacitated person's behalf if the trustee or cotrustee is not the person proposed to serve as the independent administrator.

(d) If a life estate is created either in the decedent's will or by law, and if a life tenant is living at the time of the filing of the application for an order continuing independent administration, then the life tenant or life tenants, determined as if the life estate were to commence on the date of the filing of the application for an order continuing independent administration, shall, for the purposes of this section, be considered to be the distributee or distributees on behalf of the entire estate created, and are authorized to apply for an order continuing independent administration on behalf of the estate without the consent or approval of any remainderman.

(e) If a decedent's will contains a provision that a distributee must survive the decedent by a prescribed period of time in order to take under the decedent's will, for the purposes of determining who shall be the distributee under this section, it shall be presumed that the distributees living at the time of the filing of the application for an order continuing independent administration of the decedent's estate survived the decedent for the prescribed period.

(f) In the case of all decedents, for the purposes of determining who shall be the distributees under this section, it shall be presumed that no distributee living at the time the application for an order continuing independent administration of the decedent's estate is filed shall subsequently disclaim any portion of the distributee's interest in the decedent's estate.

(g) If a distributee of a decedent's estate should die, and if by virtue of the distributee's death the distributee's share of the decedent's estate shall become payable to the distributee's estate, then the deceased distributee's personal representative may sign the application for an order continuing independent administration of the decedent's estate under this section.

(h) If a successor independent administrator is appointed under this section, then, unless the probate court shall waive bond on application for waiver, the successor independent administrator shall be required to enter into bond payable to and to be approved by the judge and the judge's successors in a sum that is found by the judge to be adequate under all circumstances, or a bond with one surety in an amount that is found by the judge to be adequate under all circumstances, if the surety is an authorized corporate surety.

(i) Absent proof of fraud or collusion on the part of a judge, the judge may not be held civilly liable for the commission of misdeeds or the omission of any required act of any person, firm, or corporation designated as a successor independent administrator under this section. Section 351.354 does not apply to an appointment of a successor independent administrator under this section.

Amended by Acts 2021, eff. Sept. 1, 2021.

CHAPTER 405. CLOSING AND DISTRIBUTIONS

§405.001. Accounting and Distribution.

(a) In addition to or in lieu of the right to an accounting provided by Section 404.001, at any time after the

expiration of two years after the date the court clerk first issues letters testamentary or of administration to any personal representative of an estate, a person interested in the estate then subject to independent administration may petition the court for an accounting and distribution. The court may order an accounting to be made with the court by the independent executor at such time as the court considers proper. The accounting shall include the information that the court considers necessary to determine whether any part of the estate should be distributed.

(b) On receipt of the accounting and, after notice to the independent executor and a hearing, unless the court finds a continued necessity for administration of the estate, the court shall order its distribution by the independent executor to the distributees entitled to the property. If the court finds there is a continued necessity for administration of the estate, the court shall order the distribution of any portion of the estate that the court finds should not be subject to further administration by the independent executor. If any portion of the estate that is ordered to be distributed is incapable of distribution without prior partition or sale, the court may:

(1) order partition and distribution, or sale, in the manner provided for the partition and distribution of property incapable of division in supervised estates; or

(2) order distribution of that portion of the estate incapable of distribution without prior partition or sale in undivided interests.

(c) If all the property in the estate is ordered distributed by the court and the estate is fully administered, the court may also order the independent executor to file a final account with the court and may enter an order closing the administration and terminating the power of the independent executor to act as executor.

Amended by Acts 2013.

§405.0015. Distributions Generally.

Unless the will, if any, or a court order provides otherwise, an independent executor may, in distributing property not specifically devised that the independent executor is authorized to sell:

(1) make distributions in divided or undivided interests;

(2) allocate particular assets in proportionate or disproportionate shares;

(3) value the estate property for the purposes of acting under Subdivision (1) or (2); and

(4) adjust the distribution, division, or termination for resulting differences in valuation.

Added by Acts 2017, eff. Sept. 1, 2017.

§405.002. Receipts and Releases for Distributions by Independent Executor.

(a) An independent executor may not be required to deliver tangible or intangible personal property to a distributee unless the independent executor receives, at or before the time of delivery of the property, a signed receipt or other proof of delivery of the property to the distributee.

(b) An independent executor may not require a waiver or release from the distributee as a condition of delivery of property to a distributee.

Added by Acts 2011.

§405.003. Judicial Discharge of Independent Executor.

(a) After an estate has been administered and if there is no further need for an independent administration of the estate, the independent executor of the estate may file an action for declaratory judgment under Chapter 37, Civil Practice and Remedies Code, seeking to discharge the independent executor from any liability involving matters relating to the past administration of the estate that have been fully and fairly disclosed.

(b) On the filing of an action under this section, each distributee of the estate shall be personally served with citation, except for a distributee who has waived the issuance and service of citation.

(c) In a proceeding under this section, the court may require the independent executor to file a final account that includes any information the court considers necessary to adjudicate the independent executor's request for a discharge of liability. The court may audit, settle, or approve a final account filed under this subsection.

(d) On or before filing an action under this section, the independent executor must distribute to the distributees of the estate any of the remaining assets or property of the estate that remains in the independent executor's possession after all of the estate's debts have been paid, except for a reasonable reserve of assets that the independent executor may retain in a fiduciary capacity pending court approval of the final account. The court may review the amount of assets on reserve and may order the independent executor to make further distributions under this section.

(e) Except as ordered by the court, the independent executor is entitled to pay from the estate legal fees, expenses, or other costs incurred in relation to a proceeding for judicial discharge filed under this section. The independent executor shall be personally liable to refund any amount of such fees, expenses, or other costs not approved by the court as a proper charge against the estate.

Amended by Acts 2017, eff. Sept. 1, 2017.

§405.004. Closing Independent Administration by Closing Report or Notice of Closing Estate.

When all of the debts known to exist against the estate have been paid, or when they have been paid so far as the assets in the independent executor's possession will permit, when there is no pending litigation, and when the independent executor has distributed to the distributees entitled to the estate all assets of the estate, if any, remaining after payment of debts, the independent executor may file with the court a closing report or a notice of closing of the estate.

Added by Acts 2011.

§405.005. Closing Report.

An independent executor may file a closing report verified by affidavit that:

(1) shows:

  (A) the property of the estate that came into the independent executor's possession;

  (B) the debts that have been paid;

  (C) the debts, if any, still owing by the estate;

  (D) the property of the estate, if any, remaining on hand after payment of debts; and

  (E) the names and addresses of the distributees to whom the property of the estate, if any, remaining

on hand after payment of debts has been distributed; and

(2) includes signed receipts or other proof of delivery of property to the distributees named in the closing report if the closing report reflects that there was property remaining on hand after payment of debts.

Added by Acts 2011.

§405.006. Notice of Closing Estate.

(a) Instead of filing a closing report under Section 405.005, an independent executor may file a notice of closing estate verified by affidavit that states:

(1) that all debts known to exist against the estate have been paid or have been paid to the extent permitted by the assets in the independent executor's possession;

(2) that all remaining assets of the estate, if any, have been distributed; and

(3) the names and addresses of the distributees to whom the property of the estate, if any, remaining on hand after payment of debts has been distributed.

(b) Before filing the notice, the independent executor shall provide to each distributee of the estate a copy of the notice of closing estate. The notice of closing estate filed by the independent executor must include signed receipts or other proof that all distributees have received a copy of the notice of closing estate.

Added by Acts 2011.

§405.007. Effect of Filing Closing Report or Notice of Closing Estate.

(a) The independent administration of an estate is considered closed 30 days after the date of the filing of a closing report or notice of closing estate unless an interested person files an objection with the court within that time. If an interested person files an objection within the 30-day period, the independent administration of the estate is closed when the objection has been disposed of or the court signs an order closing the estate.

(b) The closing of an independent administration by filing of a closing report or notice of closing estate terminates the power and authority of the independent executor, but does not relieve the independent executor from liability for any mismanagement of the estate or from liability for any false statements contained in the report or notice.

(c) When a closing report or notice of closing estate has been filed, persons dealing with properties of the estate, or with claims against the estate, shall deal directly with the distributees of the estate; and the acts of the distributees with respect to the properties or claims shall in all ways be valid and binding as regards the persons with whom they deal, notwithstanding any false statements made by the independent executor in the report or notice.

(d) If the independent executor is required to give bond, the independent executor's filing of the closing report and proof of delivery, if required, automatically releases the sureties on the bond from all liability for the future acts of the principal. The filing of a notice of closing estate does not release the sureties on the bond of an independent executor.

(e) An independent executor's closing report or notice of closing estate shall constitute sufficient legal authority to all persons owing any money, having custody of any property, or acting as registrar or transfer agent or trustee of any evidence of interest, indebtedness, property, or right that belongs to the

estate, for payment or transfer without additional administration to the distributees described in the will as entitled to receive the particular asset or who as heirs at law are entitled to receive the asset. The distributees described in the will as entitled to receive the particular asset or the heirs at law entitled to receive the asset may enforce their right to the payment or transfer by suit.

Added by Acts 2011.

§405.008. Partition and Distribution or Sale of Property Incapable of Division.

If the will does not distribute the entire estate of the testator or provide a means for partition of the estate, or if no will was probated, the independent executor may, but may not be required to, petition the probate court for either a partition and distribution of the estate or an order of sale of any portion of the estate alleged by the independent executor and found by the court to be incapable of a fair and equal partition and distribution, or both. The estate or portion of the estate shall either be partitioned and distributed or sold, or both, in the manner provided for the partition and distribution of property and the sale of property incapable of division in supervised estates.

Added by Acts 2011.

§405.009. Closing Independent Administration on Application by Distributee.

(a) At any time after an estate has been fully administered and there is no further need for an independent administration of the estate, any distributee may file an application to close the administration; and, after citation on the independent executor, and on hearing, the court may enter an order:

(1) requiring the independent executor to file a closing report meeting the requirements of Section 405.005;

(2) closing the administration;

(3) terminating the power of the independent executor to act as independent executor; and

(4) releasing the sureties on any bond the independent executor was required to give from all liability for the future acts of the principal.

(b) The order of the court closing the independent administration shall constitute sufficient legal authority to all persons owing any money, having custody of any property, or acting as registrar or transfer agent or trustee of any evidence of interest, indebtedness, property, or right that belongs to the estate, for payment or transfer without additional administration to the distributees described in the will as entitled to receive the particular asset or who as heirs at law are entitled to receive the asset. The distributees described in the will as entitled to receive the particular asset or the heirs at law entitled to receive the asset may enforce their right to the payment or transfer by suit.

Added by Acts 2011.

§405.010. Issuance of Letters.

At any time before the authority of an independent executor has been terminated in the manner set forth in this subtitle, the clerk shall issue such number of letters testamentary as the independent executor shall request.

Added by Acts 2011.

§405.011. Rights and Remedies Cumulative.

The rights and remedies conferred by this chapter are cumulative of other rights and remedies to which a

person interested in the estate may be entitled under law.

Added by Acts 2011.

§405.012. Closing Procedures Not Required.

An independent executor is not required to close the independent administration of an estate under Section 405.003 or Sections 405.004 through 405.007.

Added by Acts 2011.

SUBTITLE J. ADDITIONAL MATTERS RELATING TO THE ADMINISTRATION OF CERTAIN ESTATES (Ch. 451 - 456)

CHAPTER 451. ORDER OF NO ADMINISTRATION

§451.001. Application for Family Allowance and Order of No Administration.

(a) If the value of the entire assets of an estate, excluding homestead and exempt property, does not exceed the amount to which the surviving spouse, minor children, and adult incapacitated children of the decedent are entitled as a family allowance, an application may be filed by or on behalf of the surviving spouse, minor children, or adult incapacitated children requesting a court to make a family allowance and to enter an order that no administration of the decedent's estate is necessary.

(b) The application may be filed:

(1) in any court in which venue is proper for administration; or

(2) if an application for the appointment of a personal representative has been filed but not yet granted, in the court in which the application is filed.

(c) The application must:

(1) state the names of the heirs or devisees;

(2) list, to the extent known, estate creditors together with the amounts of the claims; and

(3) describe all property belonging to the estate, together with:

Added by Acts 2017, eff. Sept. 1, 2017.

§751.0024. Meaning and Effect of Durable Power of Attorney.

The meaning and effect of a durable power of attorney is determined by the law of the jurisdiction indicated in the durable power of attorney and, in the absence of an indication of jurisdiction, by:

(1) the law of the jurisdiction of the principal's domicile, if the principal's domicile is indicated in the power of attorney; or

(2) the law of the jurisdiction in which the durable power of attorney was executed, if the principal's domicile is not indicated in the power of attorney.

(b) An agent may take the following actions on the principal's behalf or with respect to the principal's property only if the durable power of attorney designating the agent expressly grants the agent the authority and the exercise of the authority is not otherwise prohibited by another agreement or instrument to which the authority or property is subject:

(2) make a gift;

(3) create or change rights of survivorship;

(4) create or change a beneficiary designation; or

(5) delegate authority granted under the power of attorney.

(d) Subject to Subsections (b) and (c) and Section 751.032, if the subjects over which authority is granted in a durable power of attorney are similar or overlap, the broadest authority controls.

(e) Authority granted in a durable power of attorney is exercisable with respect to property that the principal has when the power of attorney is executed or acquires later, regardless of whether:

(1) the property is located in this state; and

(2) the authority is exercised in this state or the power of attorney is executed in this state.

Added by Acts 2017, eff. Sept. 1, 2017.

agent to only:

(1) make outright to, or for the benefit of, a person a gift of any of the principal's property, including by the exercise of a presently exercisable general power of appointment held by the principal, in an amount per donee not to exceed:

(A) the annual dollar limits of the federal gift tax exclusion under Section 2503(b), Internal Revenue Code of 1986, regardless of whether the federal gift tax exclusion applies to the gift; or

(2) consent, as provided by Section 2513, Internal Revenue Code of 1986, to the splitting of a gift made by the principal's spouse in an amount per donee not to exceed the aggregate annual federal gift tax exclusions for both spouses.

(d) An agent may make a gift of the principal's property only as the agent determines is consistent with the principal's objectives if the agent actually knows those objectives. If the agent does not know the principal's objectives, the agent may make a gift of the principal's property only as the agent determines is consistent with the principal's best interest based on all relevant factors, including the factors listed in Section 751.122 and the principal's personal history of making or joining in making gifts.

Added by Acts 2017, eff. Sept. 1, 2017.

§751.033. Authority to Create or Change Certain Beneficiary Designations.

(a) Unless the durable power of attorney otherwise provides, and except as provided by Section 751.031(c), authority granted to an agent under Section 751.031(b)(4) empowers the agent to:

(1) create or change a beneficiary designation under an account, contract, or another arrangement that authorizes the principal to designate a beneficiary, including an insurance or annuity contract, a qualified or nonqualified retirement plan, including a retirement plan as defined by Section 752.113, an employment agreement, including a deferred compensation agreement, and a residency agreement;

(2) enter into or change a P.O.D. account or trust account under Chapter 113; or

(b) If an agent is granted authority under Section 751.031(b)(4) and the durable power of attorney grants the authority to the agent described in Section 752.108 or 752.113, then, unless the power of attorney otherwise provides, the authority of the agent to designate the agent as a beneficiary is not subject to the limitations prescribed by Sections 752.108(b) and 752.113(c).

(c) If an agent is not granted authority under Section 751.031(b)(4) but the durable power of attorney grants the authority to the agent described in Section 752.108 or 752.113, then, unless the power of attorney otherwise provides and notwithstanding Section 751.031, the agent's authority to designate the agent as a beneficiary is subject to the limitations prescribed by Sections 752.108(b) and 752.113(c).

Added by Acts 2017, eff. Sept. 1, 2017.

§751.034. Incorporation of Authority.

(a) an agent has authority described in this chapter if the durable power of attorney refers to general authority with respect to the descriptive term for the subjects stated in Chapter 752 or cites the section

in which the authority is described.

(b) A reference in a durable power of attorney to general authority with respect to the descriptive term for a subject in Chapter 752 or a citation to one of those sections incorporates the entire section as if the section were set out in its entirety in the power of attorney.

(c) A principal may modify authority incorporated by reference.

  (C) a policy adopted by the person in good faith that is necessary to comply with another law of this state or a federal statute, rule, regulation, regulatory directive, guidance, or executive order applicable to the person;

(3) the person would not engage in a similar transaction with the agent because the person or an affiliate of the person:

  (A) has filed a suspicious activity report as described by 31 U.S.C. Section 5318(g) with respect to

the principal or agent;

(5) the agent refuses to comply with a request for a certification, opinion of counsel, or translation under Section 751.201 or, if the agent complies with one or more of those requests, the requestor in good faith is unable to determine the validity of the power of attorney or the agent's authority to act under the power of attorney because the certification, opinion, or translation is incorrect, incomplete, unclear, limited, qualified, or otherwise deficient in a manner that makes the certification, opinion, or translation ineffective for its intended purpose, as determined in good faith by the requestor;

(6) regardless of whether an agent's certification, opinion of counsel, or translation has been requested or received by the person under this subchapter, the person believes in good faith that:

(A) the power of attorney invalid with respect to a purpose for which the power of attorney is being presented for acceptance; or

(B) the agent lacked the authority to act in the same manner in which the agent is attempting to act under the power of attorney;

(9) the person makes, has made, or has actual knowledge that another person has made a report to a law enforcement agency or other federal or state agency, including the Department of Family and Protective Services, stating a good faith belief that the principal may be subject to physical or financial abuse, neglect, exploitation, or abandonment by the agent or a person acting with or on behalf of the agent;

(10) the person receives conflicting instructions or communications with regard to a matter from co-agents acting under the same power of attorney or from agents acting under different powers of attorney signed by the same principal or another adult acting for the principal as authorized by Section 751.0021, provided that the person may refuse to accept the power of attorney only with respect to that matter; or

(11) the person is not required to accept the durable power of attorney by the law of the jurisdiction that applies in determining the power of attorney's meaning and effect, or the powers conferred under the durable power of attorney that the agent is attempting to exercise are not included within the scope of activities to which the law of that jurisdiction applies.

(b) A person who in good faith accepts a durable power of attorney without actual knowledge that the power of attorney is void, invalid, or terminated, that the purported agent's authority is void, invalid, or terminated, or that the agent is exceeding or improperly exercising the agent's authority may rely on the power of attorney as if:

(1) the principal's death;

(2) the principal's revocation of this power of attorney or your authority;

(3) the occurrence of a termination event stated in this power of attorney;

(6) if ordered by a court, your removal as agent (attorney in fact) under this power of attorney. An event that suspends this power of attorney or your authority to act under this power of attorney is the appointment and qualification of a temporary guardian unless a court order provides otherwise.

Added by Acts 2011.

§1105.161. Sureties for Certain Bonds.

liabilities. The total of the surety's worth must equal at least twice the amount of the bond.

(b) Each affidavit must be presented to the judge for consideration and, if approved, shall be attached to and form part of the bond.

Added by Acts 2011.

§1105.202. Lien on Real Property Owned by Personal Surety.

(a) If a judge finds that the estimated value of personal property of the guardianship that cannot be deposited, as provided by Subchapter D, is such that personal sureties cannot be accepted without the creation of a specific lien on the real property owned by the sureties, the judge shall enter an order requiring each surety to designate real property that is owned by the surety, located in this state, and subject to execution. The designated property must have a value that exceeds all liens and unpaid taxes by an amount at least equal to the amount of the bond and must have an adequate legal description, all of which the surety shall incorporate in an affidavit. Following approval by the judge, the affidavit shall be attached to and form part of the bond.

(b) A lien arises as security for the performance of the obligation of the bond only on the real property designated in the affidavit.

(e) The recording and indexing required by Subsection (d) is constructive notice to a person regarding the existence of the lien on the real property located in the county, effective as of the date of the indexing.

(f) If each personal surety subject to a court order under this section does not comply with the order, the judge may require that the bond be signed by:

Added by Acts 2011.

§1105.203. Subordination of Lien on Real Property Owned by Personal Surety.

the proceeding is pending requesting subordination of the lien to the proposed lease.

(b) The judge may enter an order granting the application.

(c) A certified copy of an order entered under this section that is filed and recorded in the deed records of the proper county is sufficient to subordinate the lien to the rights of a lessee under the proposed lease.

§1105.204. Release of Lien on Real Property Owned by Personal Sureties.

(a) A personal surety who has given a lien under Section 1105.202 may apply to the court to have the lien released.

(2) sufficient other real or personal property of the surety is substituted on the same terms required for the lien that is to be released.

(c) If the personal surety does not offer a lien on other substituted property under Subsection (b)(2) and the court is not satisfied that the bond is sufficient without the substitution of other property, the court shall order the guardian to appear and give a new bond.

(d) A certified copy of the court's order releasing the lien and describing the property that was subject to the lien has the effect of canceling the lien if the order is filed with the county clerk and recorded in the deed records of the county in which the property is located.

Added by Acts 2011.

(c) If the guardian of the estate fails to pay to the guardian of the person the monthly allowance set by the court, the guardian of the estate shall be compelled by court order to make the payment after the guardian is cited to appear.

The order must comply in all other respects with the requirements essential to the validity of mineral leases set out in Subchapter B as if advertising or notice were required.

(2) it is in the best interests of the estate to execute the agreement.

(b) An agreement authorized under Subsection (a) may provide that:

(2) any lease covering any part of the area committed to a pool or unit continues in effect in its entirety as long as:

(A) oil, gas, or other minerals subject to the agreement are produced in paying quantities from any part of the pooled or unitized area;

(B) operations are conducted as provided in the lease on any part of the pooled or unitized area; or

(C) there is a shut-in gas well on any part of the pooled or unitized area, if the presence of the shut-in gas well is a ground for continuation of the lease under the terms of the lease;

(3) the production allocated by the agreement to each tract included in a pool or unit shall, when produced, be considered for all purposes to have been produced from the tract by a well drilled on the tract;

(4) the royalties provided for on production from any tract or portion of a tract within the pool or unit shall be paid only on that portion of the production allocated to the tract in accordance with the agreement;

(5) the dry gas, before or after extraction of hydrocarbons, may be returned to a formation underlying any land or leases committed to the agreement, and that royalties are not required to be paid on the gas returned; and

(6) gas obtained from other sources or another tract of land may be injected into a formation underlying any land or lease committed to the agreement, and that royalties are not required to be paid on the gas injected when the gas is produced from the unit.

Added by Acts 2011.

§1160.155. Action of Court and Contents of Order.

(2) it is in the best interests of the estate that the agreement be executed; and

(3) the agreement conforms substantially with the permissible provisions of Section 1160.151.

(b) If cash consideration is to be paid for the pooling or unitization agreement, the court shall make a finding as to the necessity of increased or additional bond as a finding is made in the making of leases on payment of the cash bonus for the lease. The agreement is not valid until any required increased or additional bond has been approved by the judge and filed with the clerk.

(c) If the effective date of the pooling or unitization agreement is not stipulated in the agreement, the effective date of the agreement is the date of the court's order.

Added by Acts 2015, eff. Sept. 1, 2015.

§1357.055. Authorizing and Witnessing of Supported Decision-making Agreement.

SUBCHAPTER B. GENERAL PROCEDURES FOR ACCESS TO DIGITAL ASSETS (§§2001.051 - 2001.053)

§2001.051. User Direction for Disclosure of Digital Assets.

(a) A user may use an online tool to direct the custodian to disclose or not to disclose to a designated recipient some or all of the user's digital assets, including the content of an electronic communication. If the online tool allows the user to modify or delete a direction at all times, a direction regarding disclosure using an online tool overrides a contrary direction by the user in a will, trust, power of attorney, or other record.

(b) If a user has not used an online tool to give direction under Subsection (a) or if the custodian has not provided an online tool, the user may allow or prohibit disclosure to a fiduciary of some or all of the user's digital assets, including the content of an electronic communication sent or received by the user, in a will, trust, power of attorney, or other record.

(c) A user's direction under Subsection (a) or (b) overrides a contrary provision in a terms-of-service agreement that does not require the user to act affirmatively and distinctly from the user's assent to the terms of service.

§2001.052. Terms-of-Service Agreement.

(a) This chapter does not change or impair a right of a custodian or a user under a terms-of-service agreement to access and use digital assets of the user.

(b) This chapter does not give a fiduciary or designated recipient any new or expanded rights other than those held by the user for whom, or for whose estate or trust, the fiduciary or designated recipient acts or represents.

(c) A fiduciary's or designated recipient's access to digital assets may be modified or eliminated by a user, by federal law, or by a terms-of-service agreement if the user has not provided direction under Section 2001.051.

§2001.053. Procedure for Disclosing Digital Assets.

(a) When disclosing digital assets of a user under this chapter, the custodian may, at the custodian's sole discretion:

(1) grant a fiduciary or designated recipient full access to the user's account;

(2) grant a fiduciary or designated recipient partial access to the user's account sufficient to perform the tasks with which the fiduciary or designated recipient is charged; or

(3) provide a fiduciary or designated recipient a copy in a record of any digital asset that, on the date the custodian received the request for disclosure, the user could have accessed if the user were alive and had full capacity and access to the account.

(b) A custodian may assess a reasonable administrative charge for the cost of disclosing digital assets under this chapter.

(c) A custodian is not required to disclose under this chapter a digital asset deleted by a user.

(d) If a user directs or a fiduciary requests a custodian to disclose under this chapter some, but not all, of the user's digital assets, the custodian is not required to disclose the assets if segregation of the assets would impose an undue burden on the custodian. If the custodian believes the direction or request imposes an undue burden, the custodian or fiduciary may seek an order from the court to disclose:

(1) a subset limited by date of the user's digital assets;

(2) all of the user's digital assets to the fiduciary or designated recipient;

(3) none of the user's digital assets; or

(4) all of the user's digital assets to the court for review in camera.

(2) a certified copy of the death certificate of the user;

(3) a certified copy of letters testamentary or of administration, a small estate affidavit filed under Section 205.001, or other court order; and

(4) unless the user provided direction using an online tool, a copy of the user's will, trust, power of attorney, or other record evidencing the user's consent to disclosure of the content of an electronic communication if the user consented to the disclosure.

(b) In addition to the items required to be given to the custodian under Subsection (a), the personal representative shall provide the following if requested by the custodian:

(1) a number, user name, address, or other unique subscriber or account identifier assigned by the custodian to identify the deceased user's account;

(2) evidence linking the account to the user; or

(3) a finding by the court that:

(A) the deceased user had a specific account with the custodian, identifiable by the information specified in Subdivision (1);

(B) disclosure of the content of an electronic communication of the user would not violate 18 U.S.C. Section 2701 et seq., 47 U.S.C. Section 222, or other applicable law;

(C) unless the user provided direction using an online tool, the user consented to disclosure of the content of an electronic communication; or

(D) disclosure of the content of an electronic communication of the user is reasonably necessary for administration of the estate.

§2001.102. Disclosure of Other Digital Assets of Deceased User.

(a) Unless the deceased user prohibited disclosure of digital assets or the court directs otherwise, a custodian shall disclose to the personal representative of the estate of a deceased user a catalog of electronic communications sent or received by the user and digital assets, other than the content of an electronic communication, of the user if the representative gives the custodian:

(1) a written request for disclosure in physical or electronic form;

(2) a certified copy of the death certificate of the user; and

(3) a certified copy of letters testamentary or of administration, a small estate affidavit filed under Section 205.001, or other court order.

(b) In addition to the items required to be given to the custodian under Subsection (a), the personal representative shall provide the following if requested by the custodian:

(1) a number, user name, address, or other unique subscriber or account identifier assigned by the custodian to identify the deceased user's account;

(2) evidence linking the account to the user;

(3) an affidavit stating that disclosure of the user's digital assets is reasonably necessary for administration of the estate; or

(4) a finding by the court that:

(A) the deceased user had a specific account with the custodian, identifiable by the information specified in Subdivision (1); or

(B) disclosure of the user's digital assets is reasonably necessary for administration of the estate.

SUBCHAPTER D. PROCEDURES FOR DISCLOSURE OF DIGITAL ASSETS OF PRINCIPAL (§§2001.131 - 2001.132)

§2001.131. Disclosure of Content of Electronic Communications of Principal.

(a) To the extent a power of attorney expressly grants an agent authority over the content of an electronic communication sent or received by the principal and unless directed otherwise by the principal or the court, a custodian shall disclose to the agent the content of an electronic communication if the agent gives the custodian:

(1) a written request for disclosure in physical or electronic form;

(2) an original or copy of the power of attorney expressly granting the agent authority over the content of an electronic communication of the principal; and

(3) a certification by the agent, under penalty of perjury, that the power of attorney is in effect.

(2) modify the terms of an existing life insurance policy.

(b) Notwithstanding the terms of any life insurance policy, the fact that life-sustaining treatment is withheld or withdrawn from an insured qualified patient under this chapter does not legally impair or invalidate that person's life insurance policy and may not be a factor for the purpose of determining, under the life insurance policy, whether benefits are payable or the cause of death.

(c) The fact that a person has executed or issued or failed to execute or issue an advance directive may not be considered in any way in establishing insurance premiums.

(C) is capable of verification;

(D) is under the sole control of the person using it;

A written directive may be in the following form:

DIRECTIVE TO PHYSICIANS AND FAMILY OR SURROGATES

Instructions for completing this document:

This is an important legal document known as an Advance Directive. It is designed to help you communicate your wishes about medical treatment at some time in the future when you are unable to make your wishes known because of illness or injury. These wishes are usually based on personal values. In particular, you may want to consider what burdens or hardships of treatment you would be willing to accept for a particular amount of benefit obtained if you were seriously ill.

You are encouraged to discuss your values and wishes with your family or chosen spokesperson, as well as your physician. Your physician, other health care provider, or medical institution may provide you with various resources to assist you in completing your advance directive. Brief definitions are listed below and may aid you in your discussions and advance planning. Initial the treatment choices that best reflect your personal preferences. Provide a copy of your directive to your physician, usual hospital, and family or spokesperson. Consider a periodic review of this document. By periodic review, you can best assure that the directive reflects your preferences.

In addition to this advance directive, Texas law provides for two other types of directives that can be important during a serious illness. These are the Medical Power of Attorney and the Out-of-Hospital Do-Not-Resuscitate Order. You may wish to discuss these with your physician, family, hospital representative, or other advisers. You may also wish to complete a directive related to the donation of organs and tissues.

DIRECTIVE

I, __________, recognize that the best health care is based upon a partnership of trust and communication with my physician. My physician and I will make health care or treatment decisions together as long as I am of sound mind and able to make my wishes known. If there comes a time that I am unable to make medical decisions about myself because of illness or injury, I direct that the following treatment preferences be honored:

If, in the judgment of my physician, I am suffering with a terminal condition from which I am expected to die within six months, even with available life-sustaining treatment provided in accordance with prevailing

standards of medical care:

__________ I request that all treatments other than those needed to keep me comfortable be discontinued or withheld and my physician allow me to die as gently as possible; OR
__________ I request that I be kept alive in this terminal condition using available life-sustaining treatment. (THIS SELECTION DOES NOT APPLY TO HOSPICE CARE.)

If, in the judgment of my physician, I am suffering with an irreversible condition so that I cannot care for myself or make decisions for myself and am expected to die without life-sustaining treatment provided in accordance with prevailing standards of care:

__________ I request that all treatments other than those needed to keep me comfortable be discontinued or withheld and my physician allow me to die as gently as possible; OR
__________ I request that I be kept alive in this irreversible condition using available life-sustaining treatment. (THIS SELECTION DOES NOT APPLY TO HOSPICE CARE.)

Additional requests: (After discussion with your physician, you may wish to consider listing particular treatments in this space that you do or do not want in specific circumstances, such as artificially administered nutrition and hydration, intravenous antibiotics, etc. Be sure to state whether you do or do not want the particular treatment.)

____
____
____

After signing this directive, if my representative or I elect hospice care, I understand and agree that only those treatments needed to keep me comfortable would be provided and I would not be given available life-sustaining treatments.

If I do not have a Medical Power of Attorney, and I am unable to make my wishes known, I designate the following person(s) to make health care or treatment decisions with my physician compatible with my personal values:

1. __________
2. __________

(If a Medical Power of Attorney has been executed, then an agent already has been named and you should not list additional names in this document.)

If the above persons are not available, or if I have not designated a spokesperson, I understand that a spokesperson will be chosen for me following standards specified in the laws of Texas. If, in the judgment of my physician, my death is imminent within minutes to hours, even with the use of all available medical treatment provided within the prevailing standard of care, I acknowledge that all treatments may be withheld or removed except those needed to maintain my comfort. I understand that under Texas law this directive has no effect if I have been diagnosed as pregnant. This directive will remain in effect until I revoke it. No other person may do so.

Signed__________ Date__________ City, County, State of Residence __________

Two competent adult witnesses must sign below, acknowledging the signature of the declarant. The witness designated as Witness 1 may not be a person designated to make a health care or treatment decision for the patient and may not be related to the patient by blood or marriage. This witness may not be entitled to any

part of the estate and may not have a claim against the estate of the patient. This witness may not be the attending physician or an employee of the attending physician. If this witness is an employee of a health care facility in which the patient is being cared for, this witness may not be involved in providing direct patient care to the patient. This witness may not be an officer, director, partner, or business office employee of a health care facility in which the patient is being cared for or of any parent organization of the health care facility.

Witness 1 __________ Witness 2 __________

Definitions:

"Artificially administered nutrition and hydration" means the provision of nutrients or fluids by a tube inserted in a vein, under the skin in the subcutaneous tissues, or in the gastrointestinal tract.

"Irreversible condition" means a condition, injury, or illness:

(1) that may be treated, but is never cured or eliminated;

(2) that leaves a person unable to care for or make decisions for the person's own self; and

(3) that, without life-sustaining treatment provided in accordance with the prevailing standard of medical care, is fatal.

Explanation: Many serious illnesses such as cancer, failure of major organs (kidney, heart, liver, or lung), and serious brain disease such as Alzheimer's dementia may be considered irreversible early on. There is no cure, but the patient may be kept alive for prolonged periods of time if the patient receives life-sustaining treatments. Late in the course of the same illness, the disease may be considered terminal when, even with treatment, the patient is expected to die. You may wish to consider which burdens of treatment you would be willing to accept in an effort to achieve a particular outcome. This is a very personal decision that you may wish to discuss with your physician, family, or other important persons in your life.

"Life-sustaining treatment" means treatment that, based on reasonable medical judgment, sustains the life of a patient and without which the patient will die. The term includes both life-sustaining medications and artificial life support such as mechanical breathing machines, kidney dialysis treatment, and artificially administered nutrition and hydration. The term does not include the administration of pain management medication, the performance of a medical procedure necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

"Terminal condition" means an incurable condition caused by injury, disease, or illness that according to reasonable medical judgment will produce death within six months, even with available life-sustaining treatment provided in accordance with the prevailing standard of medical care.

Explanation: Many serious illnesses may be considered irreversible early in the course of the illness, but they may not be considered terminal until the disease is fairly advanced. In thinking about terminal illness and its treatment, you again may wish to consider the relative benefits and burdens of treatment and discuss your wishes with your physician, family, or other important persons in your life.

Amended by Acts 2015, eff. Sept. 1, 2015.

§166.034. Issuance of Nonwritten Directive by Competent Adult Qualified Patient.

(a) A competent qualified patient who is an adult may issue a directive by a nonwritten means of communication.

(b) A declarant must issue the nonwritten directive in the presence of the attending physician and two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2).

(c) The physician shall make the fact of the existence of the directive a part of the declarant's medical record, and the names of the witnesses shall be entered in the medical record.

(3) the patient's legal guardian.

Renumbered from §672.006 by Acts 1999, eff. Sept. 1, 1999.

(b) A physician, health care facility, or health care professional may not require that:

(1) a directive be notarized; or

(2) a person use a form provided by the physician, health care facility, or health care professional.

Added by Acts 1999, eff. Sept. 1, 1999.

§166.037. Patient Desire Supersedes Directive.

The desire of a qualified patient, including a qualified patient younger than 18 years of age, supersedes the effect of a directive.

Renumbered from §672.007 and amended by Acts 1999, eff. Sept. 1, 1999.

§166.038. Procedure When Declarant Is Incompetent or Incapable of Communication.

(a) This section applies when an adult qualified patient has executed or issued a directive and is incompetent or otherwise mentally or physically incapable of communication.

(b) If the adult qualified patient has designated a person to make a treatment decision as authorized by Section 166.032(c), the attending physician and the designated person may make a treatment decision in accordance with the declarant's directions.

(c) If the adult qualified patient has not designated a person to make a treatment decision, the attending physician shall comply with the directive unless the physician believes that the directive does not reflect the patient's present desire.

§166.039. Procedure When Person Has Not Executed or Issued a Directive and Is Incompetent or Incapable of Communication.

(a) If an adult qualified patient has not executed or issued a directive and is incompetent or otherwise mentally or physically incapable of communication, the attending physician and the patient's legal guardian or an agent under a medical power of attorney may make a treatment decision that may include a decision to withhold or withdraw life-sustaining treatment from the patient.

(b) If the patient does not have a legal guardian or an agent under a medical power of attorney, the attending physician and one person, if available, from one of the following categories, in the following priority, may make a treatment decision that may include a decision to withhold or withdraw life-sustaining treatment:

(1) the patient's spouse;

(2) the patient's reasonably available adult children;

(3) the patient's parents; or

(4) the patient's nearest living relative.

(c) A treatment decision made under Subsection (a) or (b) must be based on knowledge of what the patient would desire, if known.

(d) A treatment decision made under Subsection (b) must be documented in the patient's medical record and signed by the attending physician.

(e) If the patient does not have a legal guardian and a person listed in Subsection (b) is not available, a treatment decision made under Subsection (b) must be concurred in by another physician who is not involved in the treatment of the patient or who is a representative of an ethics or medical committee of the health care facility in which the person is a patient.

(f) The fact that an adult qualified patient has not executed or issued a directive does not create a presumption that the patient does not want a treatment decision to be made to withhold or withdraw life-sustaining treatment.

(g) A person listed in Subsection (b) who wishes to challenge a treatment decision made under this section must apply for temporary guardianship under Chapter 1251, Estates Code. The court may waive applicable fees in that proceeding.

(3) the declarant orally stating the declarant's intent to revoke the directive.

(b) A written revocation executed as prescribed by Subsection (a)(2) takes effect only when the declarant or a person acting on behalf of the declarant notifies the attending physician of its existence or mails the revocation to the attending physician. The attending physician or the physician's designee shall record in the patient's medical record the time and date when the physician received notice of the written revocation and shall enter the word "VOID" on each page of the copy of the directive in the patient's medical record.

(c) An oral revocation issued as prescribed by Subsection (a)(3) takes effect only when the declarant or a person acting on behalf of the declarant notifies the attending physician of the revocation. The attending physician or the physician's designee shall record in the patient's medical record the time, date, and place of the revocation, and, if different, the time, date, and place that the physician received notice of the revocation. The attending physician or the physician's designees shall also enter the word "VOID" on each page of the copy of the directive in the patient's medical record.

(b) A health professional, acting under the direction of a physician, who participates in withholding or withdrawing life-sustaining treatment from a qualified patient in accordance with this subchapter is not civilly liable for that action unless the health professional fails to exercise reasonable care when applying the patient's advance directive.

(c) A physician, or a health professional acting under the direction of a physician, who participates in withholding or withdrawing life-sustaining treatment from a qualified patient in accordance with this subchapter is not criminally liable or guilty of unprofessional conduct as a result of that action unless

(d) The standard of care that a physician, health care facility, or health care professional shall exercise under this section is that degree of care that a physician, health care facility, or health care professional, as applicable, of ordinary prudence and skill would have exercised under the same or similar circumstances in the same or a similar community.

(b) A physician, or a health professional acting under the direction of a physician, is subject to review and disciplinary action by the appropriate licensing board for failing to effectuate a qualified patient's directive in violation of this subchapter or other laws of this state. This subsection does not limit remedies available under other laws of this state.

(c) If an attending physician refuses to comply with a directive or treatment decision and does not wish to follow the procedure established under Section 166.046, life-sustaining treatment shall be provided to the patient, but only until a reasonable opportunity has been afforded for the transfer of the patient to another physician or health care facility willing to comply with the directive or treatment decision.

(d) A physician, health professional acting under the direction of a physician, or health care facility is not civilly or criminally liable or subject to review or disciplinary action by the person's appropriate licensing board if the person has complied with the procedures outlined in Section 166.046.

§166.046. Procedure If Not Effectuating a Directive or Treatment Decision.

(a) If an attending physician refuses to honor a patient's advance directive or a health care or treatment decision made by or on behalf of a patient, the physician's refusal shall be reviewed by an ethics or medical committee. The attending physician may not be a member of that committee. The patient shall be given life-sustaining treatment during the review.

(b) The patient or the person responsible for the health care decisions of the individual who has made the decision regarding the directive or treatment decision:

(1) may be given a written description of the ethics or medical committee review process and any other policies and procedures related to this section adopted by the health care facility;

(2) shall be informed of the committee review process not less than 48 hours before the meeting called to discuss the patient's directive, unless the time period is waived by mutual agreement;

(3) at the time of being so informed, shall be provided:

(a) a copy of the appropriate statement set forth in Section 166.052; and

(b) a copy of the registry list of health care providers and referral groups that have volunteered their readiness to consider accepting transfer or to assist in locating a provider willing to accept transfer that is posted on the website maintained by the department under Section 166.053; and

(4) is entitled to:

(A) attend the meeting;

(B) receive a written explanation of the decision reached during the review process; and

(C) receive a copy of the portion of the patient's medical record related to the treatment received by the patient in the facility for the lesser of:

(i) the period of the patient's current admission to the facility; or

(ii) the preceding 30 calendar days; and

(D) receive a copy of all of the patient's reasonably available diagnostic results and reports related to the medical record provided under Paragraph (C).

(c) The written explanation required by Subsection (b)(4)(B) must be included in the patient's medical record.

(d) If the attending physician, the patient, or the person responsible for the health care decisions of the individual does not agree with the decision reached during the review process under Subsection (b), the physician shall make a reasonable effort to transfer the patient to a physician who is willing to comply with the directive. If the patient is a patient in a health care facility, the facility's personnel shall assist the physician in arranging the patient's transfer to:

(1) another physician;

(2) an alternative care setting within that facility; or

(3) another facility.

(e) If the patient or the person responsible for the health care decisions of the patient is requesting life-sustaining treatment that the attending physician has decided and the ethics or medical committee has affirmed is medically inappropriate treatment, the patient shall be given available life-sustaining treatment pending transfer under Subsection (d). This subsection does not authorize withholding or withdrawing pain management medication, medical procedures necessary to provide comfort, or any other health care provided to alleviate a patient's pain. The patient is responsible for any costs incurred in transferring the patient to another facility. The attending physician, any other physician responsible for the care of the patient, and the health care facility are not obligated to provide life-sustaining treatment after the 10th day after both the written decision and the patient's medical record required under Subsection (b) are provided to the patient or the person responsible for the health care decisions of the patient unless ordered to do so under Subsection (g), except that artificially administered nutrition and hydration must be provided unless, based on reasonable medical judgment, providing artificially administered nutrition and hydration would:

(1) hasten the patient's death;

(2) be medically contraindicated such that the provision of the treatment seriously exacerbates life-threatening medical problems not outweighed by the benefit of the provision of the treatment;

(3) result in substantial irremediable physical pain not outweighed by the benefit of the provision of the treatment;

(4) be medically ineffective in prolonging life; or

(5) be contrary to the patient's or surrogate's clearly documented desire not to receive artificially administered nutrition or hydration..

(e-1) If during a previous admission to a facility a patient's attending physician and the review process under Subsection (b) have determined that life-sustaining treatment is inappropriate, and the patient is readmitted to the same facility within six months from the date of the decision reached during the review process conducted upon the previous admission, Subsections (b) through (e) need not be followed if the patient's attending physician and a consulting physician who is a member of the ethics or medical committee of the facility document on the patient's readmission that the patient's condition either has not improved or has deteriorated since the review process was conducted.

(f) Life-sustaining treatment under this section may not be entered in the patient's medical record as medically unnecessary treatment until the time period provided under Subsection (e) has expired.

(g) At the request of the patient or the person responsible for the health care decisions of the patient, the appropriate district or county court shall extend the time period provided under Subsection (e) only if the court finds, by a preponderance of the evidence, that there is a reasonable expectation that a physician or health care facility that will honor the patient's directive will be found if the time extension is granted.

(h) This section may not be construed to impose an obligation on a facility or a home and community support services agency licensed under Chapter 142 or similar organization that is beyond the scope of the services or resources of the facility or agency. This section does not apply to hospice services provided by a home and community support services agency licensed under Chapter 142.

§166.051. Legal Right or Responsibility Not Affected.

This subchapter does not impair or supersede any legal right or responsibility a person may have to effect the withholding or withdrawal of life-sustaining treatment in a lawful manner, provided that if an attending physician or health care facility is unwilling to honor a patient's advance directive or a treatment decision to provide life-sustaining treatment, life-sustaining treatment is required to be provided the patient, but only until a reasonable opportunity has been afforded for transfer of the patient to another physician or health care facility willing to comply with the advance directive or treatment decision.

§166.052. Statements Explaining Patient's Right to Transfer.

(a) In cases in which the attending physician refuses to honor an advance directive or health care or treatment decision requesting the provision of life-sustaining treatment, the statement required by Section 166.046(b)(3)(A) shall be in substantially the following form:

When There Is A Disagreement About Medical Treatment: The Physician Recommends Against Certain Life-Sustaining Treatment That You Wish To Continue

You have been given this information because you have requested life-sustaining treatment* for yourself as the patient or on behalf of the patient, as applicable, which the attending physician believes is not medically appropriate. This information is being provided to help you understand state law, your rights, and the resources available to you in such circumstances. It outlines the process for resolving disagreements about treatment among patients, families, and physicians. It is based upon Section 166.046 of the Texas Advance Directives Act, codified in Chapter 166, Texas Health and Safety Code.

When an attending physician refuses to comply with an advance directive or other request for life-sustaining treatment because of the physician's judgment that the treatment would be medically inappropriate, the case will be reviewed by an ethics or medical committee. Life-sustaining treatment will be provided through the review.

You will receive notification of this review at least 48 hours before a meeting of the committee related to your case. You are entitled to attend the meeting. With your agreement, the meeting may be held sooner than 48 hours, if possible.

You are entitled to receive a written explanation of the decision reached during the review process.

If after this review process both the attending physician and the ethics or medical committee conclude that life-sustaining treatment is medically inappropriate and yet you continue to request such treatment, then the following procedure will occur:

1. The physician, with the help of the health care facility, will assist you in trying to find a physician and facility willing to provide the requested treatment.

2. You are being given a list of health care providers, licensed physicians, health care facilities, and referral groups that have volunteered their readiness to consider accepting transfer, or to assist in locating

a provider willing to accept transfer, maintained by the Department of State Health Services. You may wish to contact providers, facilities, or referral groups on the list or others of your choice to get help in arranging a transfer.

3. The patient will continue to be given life-sustaining treatment until the patient can be transferred to a willing provider for up to 10 days from the time you were given both the committee's written decision that life-sustaining treatment is not appropriate and the patient's medical record. The patient will continue to be given after the 10-day period treatment to enhance pain management and reduce suffering, including artificially administered nutrition and hydration, unless, based on reasonable medical judgment, providing artificially administered nutrition and hydration would hasten the patient's death, be medically contraindicated such that the provision of the treatment seriously exacerbates life-threatening medical problems not outweighed by the benefit of the provision of the treatment, result in substantial irremediable physical pain not outweighed by the benefit of the provision of the treatment, be medically ineffective in prolonging life, or be contrary to the patient's or surrogate's clearly documented desires.

4. If a transfer can be arranged, the patient will be responsible for the costs of the transfer.

5. If a provider cannot be found willing to give the requested treatment within 10 days, life-sustaining treatment may be withdrawn unless a court of law has granted an extension.

6. You may ask the appropriate district or county court to extend the 10-day period if the court finds that there is a reasonable expectation that you may find a physician or health care facility willing to provide life-sustaining treatment if the extension is granted. Patient medical records will be provided to the patient or surrogate in accordance with Section 241.154, Texas Health and Safety Code.

* "Life-sustaining treatment" means treatment that, based on reasonable medical judgment, sustains the life of a patient and without which the patient will die. The term includes both life-sustaining medications and artificial life support, such as mechanical breathing machines, kidney dialysis treatment, and artificially administered nutrition and hydration. The term does not include the administration of pain management medication or the performance of a medical procedure considered to be necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

(b) In cases in which the attending physician refuses to comply with an advance directive or treatment decision requesting the withholding or withdrawal of life-sustaining treatment, the statement required by Section 166.046(b)(3)(A) shall be in substantially the following form:

When There Is A Disagreement About Medical Treatment: The Physician Recommends Life-Sustaining Treatment That You Wish To Stop

You have been given this information because you have requested the withdrawal or withholding of life-sustaining treatment* for yourself as the patient or on behalf of the patient, as applicable, and the attending physician disagrees with and refuses to comply with that request. The information is being provided to help you understand state law, your rights, and the resources available to you in such circumstances. It outlines the process for resolving disagreements about treatment among patients, families, and physicians. It is based upon Section 166.046 of the Texas Advance Directives Act, codified in Chapter 166, Texas Health and Safety Code.

When an attending physician refuses to comply with an advance directive or other request for withdrawal or withholding of life-sustaining treatment for any reason, the case will be reviewed by an ethics or medical committee. Life-sustaining treatment will be provided through the review.

You will receive notification of this review at least 48 hours before a meeting of the committee related to your case. You are entitled to attend the meeting. With your agreement, the meeting may be held sooner than 48 hours, if possible.

You are entitled to receive a written explanation of the decision reached during the review process.

If you or the attending physician do not agree with the decision reached during the review process, and the attending physician still refuses to comply with your request to withhold or withdraw life-sustaining treatment, then the following procedure will occur:

1. The physician, with the help of the health care facility, will assist you in trying to find a physician and facility willing to withdraw or withhold the life-sustaining treatment.

2. You are being given a list of health care providers, licensed physicians, health care facilities, and referral groups that have volunteered their readiness to consider accepting transfer, or to assist in locating a provider willing to accept transfer, maintained by the Department of State Health Services. The term does not include the administration of pain management medication or the performance of a medical procedure considered to be necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

(c) An attending physician or health care facility may, if it chooses, include any additional information concerning the physician's or facility's policy, perspective, experience, or review procedure.

§166.053. Registry to Assist Transfers.

(a) The department shall maintain a registry listing the identity of and contact information for health care providers and referral groups, situated inside and outside this state, that have voluntarily notified the department they may consider accepting or may assist in locating a provider willing to accept transfer of a patient under Section 166.045 or 166.046.

(b) The listing of a provider or referral group in the registry described in this section does not obligate the provider or group to accept transfer of or provide services to any particular patient.

(c) The department shall post the current registry list on its website in a form appropriate for easy comprehension by patients and persons responsible for the health care decisions of patients. The list shall separately indicate those providers and groups that have indicated their interest in assisting the transfer of:

(1) those patients on whose behalf life-sustaining treatment is being sought;

(2) those patients on whose behalf the withholding or withdrawal of life-sustaining treatment is being sought; and

(3) patients described in both Subdivisions (1) and (2).

(d) The registry list described in this section shall include the following disclaimer:

"This registry lists providers and groups that have indicated to the Department of State Health Services their interest in assisting the transfer of patients in the circumstances described, and is provided for information purposes only. Neither the Department of State Health Services nor the State of Texas endorses or assumes any responsibility for any representation, claim, or act of the listed providers or groups."

DURATION.

I understand that this power of attorney exists indefinitely from the date I execute this document unless I establish a shorter time or revoke the power of attorney. If I am unable to make health care decisions for myself when this power of attorney expires, the authority I have granted my agent continues to exist until the time I become able to make health care decisions for myself.

(IF APPLICABLE) This power of attorney ends on the following date: __________

PRIOR DESIGNATIONS REVOKED.

I revoke any prior medical power of attorney.

DISCLOSURE STATEMENT.

THIS MEDICAL POWER OF ATTORNEY IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except to the extent you state otherwise, this document gives the person you name as your agent the authority to make any and all health care decisions for you in accordance with your wishes, including your religious and moral beliefs, when you are unable to make the decisions for yourself. Because "health care" means any treatment, service, or procedure to maintain, diagnose, or treat your physical or mental condition, your agent has the power to make a broad range of health care decisions for you. Your agent may consent, refuse to consent, or withdraw consent to medical treatment and may make decisions about withdrawing or withholding life-sustaining treatment. Your agent may not consent to voluntary inpatient mental health services, convulsive treatment, psychosurgery, or abortion. A physician must comply with your agent's instructions or allow you to be transferred to another physician.

Your agent's authority is effective when your doctor certifies that you lack the competence to make health care decisions.

Your agent is obligated to follow your instructions when making decisions on your behalf. Unless you state otherwise, your agent has the same authority to make decisions about your health care as you would have if you were able to make health care decisions for yourself.

It is important that you discuss this document with your physician or other health care provider before you sign the document to ensure that you understand the nature and range of decisions that may be made on your

behalf. If you do not have a physician, you should talk with someone else who is knowledgeable about these issues and can answer your questions. You do not need a lawyer's assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you appoint as agent should be someone you know and trust. The person must be 18 years of age or older or a person under 18 years of age who has had the disabilities of minority removed. If you appoint your health or residential care provider (e.g., your physician or an employee of a home health agency, hospital, nursing facility, or residential care facility, other than a relative), that person has to choose between acting as your agent or as your health or residential care provider; the law does not allow a person to serve as both at the same time.

You should inform the person you appoint that you want the person to be your health care agent. You should discuss this document with your agent and your physician and give each a signed copy. You should indicate on the document itself the people and institutions that you intend to have signed copies. Your agent is not liable for health care decisions made in good faith on your behalf.

Once you have signed this document, you have the right to make health care decisions for yourself as long as you are able to make those decisions, and treatment cannot be given to you or stopped over your objection. You have the right to revoke the authority granted to your agent by informing your agent or your health or residential care provider orally or in writing or by your execution of a subsequent medical power of attorney. Unless you state otherwise in this document, your appointment of a spouse is revoked if your marriage is dissolved, annulled, or declared void.

This document may not be changed or modified. If you want to make changes in this document, you must execute a new medical power of attorney.

You may wish to designate an alternate agent in the event that your agent is unwilling, unable, or ineligible to act as your agent. If you designate an alternate agent, the alternate agent has the same authority as the agent to make health care decisions for you.

THIS POWER OF ATTORNEY IS NOT VALID UNLESS:

(1) YOU SIGN IT AND HAVE YOUR SIGNATURE ACKNOWLEDGED BEFORE A NOTARY PUBLIC; OR

(2) YOU SIGN IT IN THE PRESENCE OF TWO COMPETENT ADULT WITNESSES.

THE FOLLOWING PERSONS MAY NOT ACT AS ONE OF THE WITNESSES:

(2) a person related to you by blood or marriage;

(3) a person entitled to any part of your estate after your death under a will or codicil executed by you or by operation of law;

(4) your attending physician;

(5) an employee of your attending physician;

(6) an employee of a health care facility in which you are a patient if the employee is providing direct patient care to you or is an officer, director, partner, or business office employee of the health care facility or of any parent organization of the health care facility; or

(7) a person who, at the time this medical power of attorney is executed, has a claim against any part of your estate after your death.

By signing below, I acknowledge that [I have been provided with a disclosure statement explaining the effect of this document.] I have read and understand the [that] information contained in the above disclosure statement.

(YOU MUST DATE AND SIGN THIS POWER OF ATTORNEY. YOU MAY SIGN IT AND HAVE YOUR SIGNATURE ACKNOWLEDGED BEFORE A NOTARY PUBLIC OR YOU MAY SIGN IT IN THE PRESENCE OF TWO COMPETENT ADULT WITNESSES.)

§692A.004. Persons Authorized to Make Anatomical Gift Before Donor's Death.

Subject to Section 692A.008, an anatomical gift of a donor's body or part may be made during the life of the donor for the purpose of transplantation, therapy, research, or education in the manner provided in Section 692A.005 by:

(1) the donor, if the donor is an adult or if the donor is a minor and is:

(A) emancipated; or

(B) authorized under state law to apply for a driver's license because the donor is at least 16 years of age and:

(i) circumstances allow the donation to be actualized prior to 18 years of age; and

(ii) an organ procurement organization obtains signed written consent from the minor's parent, guardian, or custodian as in Subdivision (3);

(2) an agent of the donor, unless the medical power of attorney or other record prohibits the agent from making an anatomical gift;

(3) a parent of the donor, if the donor is an unemancipated minor; or

(4) the donor's guardian.

(2) in a will;

(3) during a terminal illness or injury of the donor, by any form of communication addressed to at least two adults, at least one of whom is a disinterested witness; or

(4) as provided in Subsection (b).

(b) A donor or other person authorized to make an anatomical gift under Section 692A.004 may make a gift by a donor card or other record signed by the donor or other person making the gift or by authorizing that a statement or symbol indicating the donor has made an anatomical gift be included on a donor registry. If the donor or other person is physically unable to sign a record, the record may be signed by another individual at the direction of the donor or other person and must:

(1) be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(2) state that the record has been signed and witnessed as provided in Subdivision (1).

(c) Revocation, suspension, expiration, or cancellation of a driver's license or identification card on which an anatomical gift is indicated does not invalidate the gift.

(d) An anatomical gift made by will takes effect on the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.006. Amending or Revoking Anatomical Gift Before Donor's Death.

(a) Subject to Section 692A.008, a donor or other person authorized to make an anatomical gift under Section 692A.004 may amend or revoke an anatomical gift by:

(1) a record signed by:

(A) the donor;

(B) the other person; or

(C) subject to Subsection (b), another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or

(2) a later-executed document of gift that amends or revokes a previous anatomical gift or portion of an anatomical gift, either expressly or by inconsistency.

(b) A record signed pursuant to Subsection (a)(1)(C) must:

(1) be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(2) state that the record has been signed and witnessed as provided in Subdivision (1).

(c) Subject to Section 692A.008, a donor or other person authorized to make an anatomical gift under Section 692A.004 may revoke an anatomical gift by the destruction or cancellation of the document of gift, or the portion of the document of gift used to make the gift, with the intent to revoke the gift.

(d) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(c) An individual who has made a refusal may amend or revoke the refusal:

(1) in the manner provided in Subsection (a) for making a refusal;

(2) by subsequently making an anatomical gift pursuant to Section 692A.005 that is inconsistent with the refusal; or

(3) by destroying or canceling the record evidencing the refusal, or the portion of the record used to make the refusal, with the intent to revoke the refusal.

(d) Except as otherwise provided in Section 692A.008(h), in the absence of an express, contrary indication by the individual set forth in the refusal, an individual's unrevoked refusal to make an anatomical gift of the individual's body or part bars all other persons from making an anatomical gift of the individual's body or part.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.008. Preclusive Effect of Anatomical Gift, Amendment, or Revocation.

(a) Except as otherwise provided in Subsection (g) and subject to Subsection (f), in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending, or revoking an anatomical gift of a donor's body or part if the donor made an anatomical gift of the donor's body or part under Section 692A.005 or an amendment to an anatomical gift of the donor's body or part under Section 692A.006.

(b) A donor's revocation of an anatomical gift of the donor's body or part under Section 692A.006 is not a refusal and does not bar another person specified in Section 692A.004 or Section 692A.009 from making an anatomical gift of the donor's body or part under Section 692A.005 or Section 692A.010.

(c) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or part under Section 692A.005 or an amendment to an anatomical gift of the donor's body or part under Section 692A.006, another person may not make, amend, or revoke the gift of the donor's body or part under Section 692A.010.

(d) A revocation of an anatomical gift of a donor's body or part under Section 692A.006 by a person other than the donor does not bar another person from making an anatomical gift of the body or part under Section 692A.005 or Section 692A.010.

(e) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under Section 692A.004, an anatomical gift of a part is neither a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or another person.

(f) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under Section 692A.004, an anatomical gift of a part for one or more of the purposes set forth in Section 692A.004 is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under Section 692A.005 or Section 692A.010.

(g) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may

revoke or amend an anatomical gift of the donor's body or part.

(h) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.009. Who May Make Anatomical Gift of Decedent's Body or Part.

(a) Subject to Subsections (b) and (c) and unless barred by Section 692A.007 or Section 692A.008, an anatomical gift of a decedent's body or part for the purpose of transplantation, therapy, research, or education may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(1) an agent of the decedent at the time of death who could have made an anatomical gift under Section 692A.004(2) immediately before the decedent's death;

(2) the spouse of the decedent;

(3) adult children of the decedent;

(4) parents of the decedent;

(5) adult siblings of the decedent;

(6) adult grandchildren of the decedent;

(9) the persons who were acting as the guardians of the person of the decedent at the time of death;

(10) the hospital administrator; and

(b) If there is more than one member of a class listed in Subsection (a)(1), (3), (4), (5), (6), (7), or (9) entitled to make an anatomical gift, an anatomical gift may be made by a member of the class unless that member or a person to which the gift may pass under Section 692A.011 knows of an objection by another member of the class. If an objection is known, the gift may be made only by a majority of the members of the class who are reasonably available.

(c) A person may not make an anatomical gift if, at the time of the decedent's death, a person in a prior class under Subsection (a) is reasonably available to make or to object to the making of an anatomical gift.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.010. Manner of Making, Amending, or Revoking Anatomical Gift of Decedent's Body or Part.

(a) A person authorized to make an anatomical gift under Section 692A.009 may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(b) Subject to Subsection (c), an anatomical gift by a person authorized under Section 692A.009 may be amended or revoked orally or in a record by any member of a prior class who is reasonably available.

If more than one member of the prior class is reasonably available, the gift made by a person authorized under Section 692A.009 may be:

(1) amended only if a majority of the reasonably available members agree to the amending of the gift; or

(2) revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(c) A revocation under Subsection (b) is effective only if, before an incision has been made to remove a part from the donor's body or before the initiation of invasive procedures to prepare the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.011. Persons That May Receive Anatomical Gift; Purpose of Anatomical Gift.

(a) An anatomical gift may be made to the following persons named in the document of gift:

(2) a hospital to be used for research;

(3) subject to Subsection (d), an individual designated by the person making the anatomical gift if the individual is the recipient of the part;

(B) a private or independent institution of higher education as defined by Section 61.003, Education Code;

(7) the Anatomical Board of the State of Texas.

(b) Except for donations described by Subsections (a)(1) through (6), the Anatomical Board of the State of Texas shall be the donee of gifts of bodies or parts of bodies made for the purpose of education or research that are subject to distribution by the board under Chapter 691.

(c) A forensic science program that receives a donation under Subsection (a)(5) must submit a report to the Anatomical Board of the State of Texas on a quarterly basis that lists:

(1) the number of bodies or parts of bodies that the program received; and

(2) the method in which the program used the bodies or parts of bodies for education or research.

(d) If an anatomical gift to an individual under Subsection (a)(3) cannot be transplanted into the individual, the part passes in accordance with Subsection (i) in the absence of an express, contrary indication by the person making the anatomical gift.

(e) If an anatomical gift of one or more specific parts or of all parts is made in a document of gift that does not name a person described in Subsection (a) but identifies the purpose for which an anatomical gift may be used, the following rules apply:

(1) if the part is an eye and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate eye bank;

(2) if the part is tissue and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate tissue bank;

(3) if the part is an organ and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate organ procurement organization as custodian of the organ; and

(f) For the purpose of Subsection (e), if there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift must be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

(g) If an anatomical gift of one or more specific parts is made in a document of gift that does not name a person described in Subsection (a) and does not identify the purpose of the gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance with Subsection (i).

(h) If a document of gift specifies only a general intent to make an anatomical gift by words such as "donor," "organ donor," or "body donor," or by a symbol or statement of similar import, the gift may be used only for transplantation or therapy, and the gift passes in accordance with Subsection (i).

(i) For purposes of Subsections (d), (g), and (h), the following rules apply:

(1) if the part is an eye, the gift passes to the appropriate eye bank;

(2) if the part is tissue, the gift passes to the appropriate tissue bank; and

(3) if the part is an organ, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(j) An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under Subsection (a)(3), passes to the organ procurement organization as custodian of the organ.

(k) If an anatomical gift does not pass pursuant to Subsections (a) through (j) or the decedent's body or part is not used for transplantation, therapy, research, or education, custody of the body or part passes to the person under obligation to dispose of the body or part.

(l) A person may not accept an anatomical gift if the person knows that the gift was not effectively made under Section 692A.005 or Section 692A.010 or if the person knows that the decedent made a refusal under Section 692A.007 that was not revoked. For purposes of this subsection, if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

(m) Except as otherwise provided in Subsection (a)(3), nothing in this chapter affects the allocation of organs for transplantation or therapy.

(n) A donee may accept or reject a gift.

Amended by Acts 2015, eff. Sept. 1, 2015.

§692A.012. Search and Notification.

The donor card of a person who is involved in an accident or other trauma shall accompany the person to the hospital or other health care facility. The driver's license or personal identification certificate indicating an affirmative statement of gift of a person who is involved in an accident or other trauma shall accompany the person to the hospital or health care facility if the person does not have a donor card.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.013. Delivery of Document of Gift Not Required; Right to Examine.

(a) A document of gift need not be delivered during the donor's lifetime to be effective.

(b) On or after an individual's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to which the gift could pass under Section 692A.011.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.014. Rights and Duties of Procurement Organization and Others.

(a) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the Department of Public Safety and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(b) A procurement organization must be allowed reasonable access to information in the records of the Department of Public Safety to ascertain whether an individual at or near death is a donor.

(c) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(d) Unless prohibited by law other than this chapter, at any time after a donor's death, the person to which a part passes under Section 692A.011 may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(e) Unless prohibited by law other than this chapter, an examination under Subsection (c) or (d) may include an examination of all medical and dental records of the donor or prospective donor.

(f) On the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(g) On referral by a hospital under Subsection (a), a procurement organization shall make a reasonable search for any person listed in Section 692A.009 having priority to make an anatomical gift on behalf

of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(h) Subject to Sections 692A.011(k) and 693.002, the rights of the person to which a part passes under Section 692A.011 are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift wholly or partly. Subject to the terms of the document of gift and this chapter, a person that accepts an anatomical gift of an entire body may allow embalming, burial, or cremation, and use of remains in a funeral service. If the gift is of a part, the person to which the part passes under Section 692A.011, on the death of the donor and before embalming, burial, or cremation, shall cause the part to be removed without unnecessary mutilation.

(i) The physician who attends the decedent at death or the physician who determines the time of the decedent's death may not participate in the procedures for removing or transplanting a part from the decedent.

(j) A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.015. Coordination of Procurement and Use; Hospital Procedures.

Each hospital in this state shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts. Each hospital must have a protocol that ensures its maintenance of an effective donation system in order to maximize organ, tissue, and eye donation. The protocol must:

(1) be available to the public during the hospital's normal business hours;

(2) establish a procedure for the timely notification to an organ procurement organization of individuals whose death is imminent or who have died in the hospital;

(3) establish procedures to ensure potential donors are declared dead by an appropriate practitioner in an acceptable time frame;

(4) establish procedures to ensure that hospital staff and organ procurement organization staff maintain appropriate medical treatment of potential donors while necessary testing and placement of potential donated organs, tissues, and eyes take place;

(5) ensure that all families are provided the opportunity to donate organs, tissues, and eyes, including vascular organs procured from asystolic donors;

(6) provide that the hospital use appropriately trained persons from an organ procurement organization, tissue bank, or eye bank to make inquiries relating to donations;

(7) provide for documentation of the inquiry and of its disposition in the decedent's medical records;

(8) require an organ procurement organization, tissue bank, or eye bank that makes inquiries relating to donations to develop a protocol for making those inquiries;

(9) encourage sensitivity to families' beliefs and circumstances in all discussions relating to the donations;

(10) provide that the organ procurement organization determines medical suitability for organ donation and, in the absence of alternative arrangements by the hospital, the organ procurement organization

determines medical suitability for tissue and eye donation, using the definition of potential tissue and eye donor and the notification protocol developed in consultation with the tissue and eye banks identified by the hospital for this purpose;

(11) ensure that the hospital works cooperatively with the designated organ procurement organization, tissue bank, and eye bank in educating staff on donation issues;

(12) ensure that the hospital works with the designated organ procurement organization, tissue bank, and eye bank in reviewing death records; and

(13) provide for monitoring of donation system effectiveness, including rates of donation, protocols, and policies, as part of the hospital's quality improvement program.

§692A.016. Sale or Purchase of Parts Prohibited.

(a) Except as otherwise provided in Subsection (b), a person commits an offense if the person for valuable consideration knowingly purchases or sells a part for transplantation or therapy if removal of a part from an individual is intended to occur after the individual's death. An offense under this subsection is a Class A misdemeanor.

(b) A person may charge a reasonable amount for the removal, processing, preservation, quality control, storage, transportation, implantation, or disposal of a part.

(c) If conduct that constitutes an offense under this section also constitutes an offense under other law, the actor may be prosecuted under this section, the other law, or both this section and the other law.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.017. Other Prohibited Acts.

(a) A person commits an offense if the person, in order to obtain a financial gain, intentionally falsifies, forges, conceals, defaces, or obliterates a document of gift, an amendment or revocation of a document of gift, or a refusal. An offense under this section is a Class A misdemeanor.

(b) If conduct that constitutes an offense under this section also constitutes an offense under other law, the actor may be prosecuted under this section, the other law, or both this section and the other law.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.018. Immunity.

(a) A person who acts in good faith in accordance with this chapter is not liable for civil damages or subject to criminal prosecution for the person's action if the prerequisites for an anatomical gift are met under the laws applicable at the time and place the gift is made.

(b) A person that acts in accordance with this chapter or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution, or administrative proceeding.

(c) A person who acts in good faith in accordance with this chapter is not liable as a result of the action except in the case of an act or omission of the person that is intentional, wilfully or wantonly negligent, or done with conscious indifference or reckless disregard. For purposes of this subsection, "good faith" in determining the appropriate person authorized to make a donation under Section 692A.009 means making a reasonable effort to locate and contact the member or members of the highest priority class

who are reasonably available at or near the time of death.

(d) Neither a person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

(e) In determining whether an anatomical gift has been made, amended, or revoked under this chapter, a person may rely on representations of an individual listed in Section 692A.009(a)(2), (3), (4), (5), (6), (7), or (8) relating to the individual's relationship to the donor or prospective donor unless the person knows that the representation is untrue.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.019. Law Governing Validity; Choice of Law as to Execution of Document of Gift; Presumption of Validity.

(a) A document of gift is valid if executed in accordance with:

(1) this chapter;

(2) the laws of the state or country where it was executed; or

(3) the laws of the state or country where the person making the anatomical gift was domiciled, had a place of residence, or was a national at the time the document of gift was executed.

(b) If a document of gift is valid under this section, the law of this state governs the interpretation of the document of gift.

(c) A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.020. Glenda Dawson Donate Life-Texas Registry; Education Program.

(a) A nonprofit organization designated by the Department of Public Safety shall maintain and administer a statewide donor registry, to be known as the Glenda Dawson Donate Life-Texas Registry.

(b) The nonprofit organization administering the registry must include representatives from each organ procurement organization in this state.

(c) The nonprofit organization shall establish and maintain a statewide Internet-based registry of organ, tissue, and eye donors.

(d) The Department of Public Safety at least monthly shall electronically transfer to the nonprofit organization administering the registry the name, date of birth, driver's license number, most recent address, and any other relevant information in the possession of the Department of Public Safety for any person who indicates on the person's driver's license application under Section 521.401, Transportation Code, that the person would like to make an anatomical gift.

(e) The nonprofit organization administering the registry shall:

(1) make information obtained from the Department of Public Safety under Subsection (d) available to procurement organizations;

(2) allow potential donors to submit information in writing directly to the organization for inclusion in the Internet-based registry;

(3) maintain the Internet-based registry in a manner that allows procurement organizations to immediately access organ, tissue, and eye donation information 24 hours a day, seven days a week through electronic and telephonic methods; and

(4) protect the confidentiality and privacy of the individuals providing information to the Internet-based registry, regardless of the manner in which the information is provided.

(f) Except as otherwise provided by Subsection (e)(3) or this subsection, the Department of Public Safety, the nonprofit organization administering the registry, or a procurement organization may not sell, rent, or otherwise share any information provided to the Internet-based registry. A procurement organization may share any information provided to the registry with an organ procurement organization or a health care provider or facility providing medical care to a potential donor as necessary to properly identify an individual at the time of donation.

(g) The Department of Public Safety, the nonprofit organization administering the registry, or the procurement organizations may not use any demographic or specific data provided to the Internet-based registry for any fund-raising activities. Data may only be transmitted from the selected organization to procurement organizations through electronic and telephonic methods using secure, encrypted technology to preserve the integrity of the data and the privacy of the individuals providing information.

(h) In each office authorized to issue driver's licenses or personal identification certificates, the Department of Public Safety shall make available educational materials developed by the nonprofit organization administering the registry.

(i) The Glenda Dawson Donate Life-Texas Registry fund is created as a trust fund outside the state treasury to be held by the comptroller and administered by the Department of Public Safety as trustee on behalf of the statewide donor registry maintained for the benefit of the citizens of this state. The fund is composed of money deposited to the credit of the fund under Sections 502.405(b), 521.008, and 521.422(c), Transportation Code, as provided by those subsections. Money in the fund shall be disbursed at least monthly, without appropriation, to the nonprofit organization administering the registry to pay the costs of:

(1) maintaining, operating, and updating the Internet-based registry and establishing procedures for an individual to be added to the registry;

(2) designing and distributing educational materials for prospective donors as required under this section; and

(3) providing education under this chapter.

(j) *Repealed by Acts 2013.*

(k) To the extent funds are available and as part of the donor registry program, the nonprofit organization administering the registry may educate residents about anatomical gifts. The education provided under this section shall include information about:

(1) the laws governing anatomical gifts, including Subchapter Q, Chapter 521, Transportation Code, Chapter 693, and this chapter;

(2) the procedures for becoming an organ, eye, or tissue donor or donee; and

(3) the benefits of organ, eye, or tissue donation.

(l) *Repealed by Acts 2013.*

(m) The nonprofit organization administering the registry may:

(1) implement a training program for all appropriate Department of Public Safety and Texas Department of Transportation employees on the benefits of organ, tissue, and eye donation and the procedures for individuals to be added to the Internet-based registry; and

(2) conduct the training described by Subdivision (1) on an ongoing basis for new employees.

(n) The nonprofit organization administering the registry may develop a program to educate health care providers and attorneys in this state about anatomical gifts.

(o) The nonprofit organization administering the registry shall encourage:

(1) attorneys to provide organ donation information to clients seeking advice for end-of-life decisions;

(2) medical and nursing schools in this state to include mandatory organ donation education in the schools' curricula; and

(3) medical schools in this state to require a physician in a neurology or neurosurgery residency program to complete an advanced course in organ donation education.

(p) The nonprofit organization administering the registry may not use the registry to solicit voluntary donations of money from a registrant.

(q) Except as provided by Subsection (p), the nonprofit organization administering the registry may accept voluntary donations of money and perform fund-raising on behalf of the registry for the purpose of supporting registering donors.

Amended by Acts 2013, eff. May 18, 2013.

§692A.021. Effect of Anatomical Gift on Advance Directive.

(a) In this section:

(1) "Advance directive" means a medical power of attorney or a record signed or authorized by a prospective donor containing the prospective donor's direction concerning a health-care decision for the prospective donor.

(2) "Declaration" means a record signed by a prospective donor specifying the circumstances under which a life support system may be withheld or withdrawn from the prospective donor.

(3) "Health-care decision" means any decision made regarding the health care of the prospective donor.

(b) If a prospective donor has a declaration or advance directive and the terms of the declaration or directive and the express or implied terms of a potential anatomical gift are in conflict with regard to the administration of measures necessary to ensure the medical suitability of a part for transplantation or therapy, the prospective donor's attending physician and prospective donor shall confer to resolve the conflict. If the prospective donor is incapable of resolving the conflict, an agent acting under the prospective donor's declaration or directive, or, if the agent is not reasonably available, another person authorized by law other than this chapter to make health-care decisions on behalf of the prospective donor, shall act on the prospective donor's behalf to resolve the conflict. The conflict must be resolved as expeditiously as possible. Information relevant to the resolution of the conflict may be obtained from

the appropriate procurement organization and any other person authorized to make an anatomical gift for the prospective donor under Section 692A.009. Before resolution of the conflict, measures necessary to ensure the medical suitability of the part may not be withheld or withdrawn from the prospective donor.

(c) If the conflict cannot be resolved, an expedited review of the matter must be initiated by an ethics or medical committee of the appropriate health care facility.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.022. Uniformity of Application and Construction.

In applying and construing this chapter, consideration must be given to the need to promote uniformity of the law with respect to the subject matter of this chapter among states that enact a law substantially similar to this chapter.

Added by Acts 2009, eff. Sept. 1, 2009.

§692A.023. Relation to Electronic Signatures in Global and National Commerce Act.

This chapter modifies, limits, and supersedes the provisions of the Electronic Signatures in Global and National Commerce Act (15 U.S.C. Section 7001 et seq.), but does not modify, limit, or supersede Section 101(a) of that Act (15 U.S.C. Section 7001(a)), or authorize electronic delivery of any of the notices described in Section 103 of that Act (15 U.S.C. Section 7003(b)).

CHAPTER 711. GENERAL PROVISIONS RELATING TO CEMETERIES

SUBCHAPTER A. GENERAL PROVISIONS

§711.002. Disposition of Remains; Duty to Inter.

(a) Except as provided by Subsection (l), unless a decedent has left directions in writing for the disposition of the decedent's remains as provided in Subsection (g), the following persons, in the priority listed, have the right to control the disposition, including cremation, of the decedent's remains, shall inter the remains, and in accordance with Subsection (a-1) are liable for the reasonable cost of interment:

(1) the person designated in a written instrument signed by the decedent;

(2) the decedent's surviving spouse;

(3) any one of the decedent's surviving adult children;

(4) either one of the decedent's surviving parents;

(5) any one of the decedent's surviving adult siblings;

(6) any one or more of the duly qualified executors or administrators of the decedent's estate; or

(7) any adult person in the next degree of kinship in the order named by law to inherit the estate of the decedent.

(a-1) If the person with the right to control the disposition of the decedent's remains fails to make final arrangements or appoint another person to make final arrangements for the disposition before the earlier of the 6th day after the date the person received notice of the decedent's death or the 10th day after the date the decedent died, the person is presumed to be unable or unwilling to control the

disposition, and:

(1) the person's right to control the disposition is terminated; and

(2) the right to control the disposition is passed to the following persons in the following priority:

(A) any other person in the same priority class under Subsection (a) as the person whose right was terminated; or

(B) a person in a different priority class, in the priority listed in Subsection (a).

(a-2) If a United States Department of Defense Record of Emergency Data, DD Form 93, or a successor form, was in effect at the time of death for a decedent who died in a manner described by 10 U.S.C. Sections 1481(a)(1) through (8), the DD Form 93 controls over any other written instrument described by Subsection (a)(1) or (g) with respect to designating a person to control the disposition of the decedent's remains. Notwithstanding Subsections (b) and (c), the form is legally sufficient if it is properly completed, signed by the decedent, and witnessed in the manner required by the form.

(a-3) A person exercising the right to control the disposition of remains under Subsection (a), other than a duly qualified executor or administrator of the decedent's estate, is liable for the reasonable cost of interment and may seek reimbursement for that cost from the decedent's estate. When an executor or administrator exercises the right to control the disposition of remains under Subsection (a)(6), the decedent's estate is liable for the reasonable cost of interment, and the executor or administrator is not individually liable for that cost.

(b) The written instrument referred to in Subsection (a)(1) may be in substantially the following form:

(c) A written instrument is legally sufficient under Subsection (a)(1) if the instrument designates a person to control the disposition of the decedent's remains, the instrument is signed by the decedent, the signature of the decedent is acknowledged, and the agent or successor agent signs the instrument before acting as the decedent's agent. Unless the instrument provides otherwise, the designation of the decedent's spouse as an agent or successor agent in the instrument is revoked when the marriage of the decedent and the spouse appointed as an agent or successor agent is dissolved by divorce, annulled, or declared void before the decedent's death. Such written instrument may be modified or revoked only by a subsequent written instrument that complies with this subsection.

(d) A person listed in Subsection (a) has the right, duty, and liability provided by that subsection only if

there is no person in a priority listed before the person.

(e) If there is no person with the duty to inter under Subsection (a) and:

(1) an inquest is held, the person conducting the inquest shall inter the remains; and

(2) an inquest is not held, the county in which the death occurred shall inter the remains.

(f) A person who represents that the person knows the identity of a decedent and, in order to procure the disposition, including cremation, of the decedent's remains, signs an order or statement, other than a death certificate, warrants the identity of the decedent and is liable for all damages that result, directly or indirectly, from that warrant.

(g) A person may provide written directions for the disposition, including cremation, of the person's remains in a will, a prepaid funeral contract, or a written instrument signed and acknowledged by such person. A party to the prepaid funeral contract or a written contract providing for all or some of a decedent's funeral arrangements who fails to honor the contract is liable for the additional expenses incurred in the disposition of the decedent's remains as a result of the breach of contract. The directions may govern the inscription to be placed on a grave marker attached to any plot in which the decedent had the right of sepulture at the time of death and in which plot the decedent is subsequently interred. The directions may be modified or revoked only by a subsequent writing signed and acknowledged by such person. The person otherwise entitled to control the disposition of a decedent's remains under this section shall faithfully carry out the directions of the decedent to the extent that the decedent's estate or the person controlling the disposition are financially able to do so.

(h) If the directions are in a will, they shall be carried out immediately without the necessity of probate. If the will is not probated or is declared invalid for testamentary purposes, the directions are valid to the extent to which they have been acted on in good faith.

(i) A cemetery organization, a business operating a crematory or columbarium or both, a funeral director or an embalmer, or a funeral establishment shall not be liable for carrying out the written directions of a decedent or the directions of any person who represents that the person is entitled to control the disposition of the decedent's remains.

(j) *Repealed by Acts 2011.*

(k) Any dispute among any of the persons listed in Subsection (a) concerning their right to control the disposition, including cremation, of a decedent's remains shall be resolved by a court with jurisdiction over probate proceedings for the decedent, regardless of whether a probate proceeding has been initiated. A cemetery organization or funeral establishment shall not be liable for refusing to accept the decedent's remains, or to inter or otherwise dispose of the decedent's remains, until it receives a court order or other suitable confirmation that the dispute has been resolved or settled.

(l) A person listed in Subsection (a) may not control the disposition of the decedent's remains if, in connection with the decedent's death, an indictment has been filed charging the person with a crime under Chapter 19, Penal Code, that involves family violence against the decedent. A person regulated under Chapter 651, Occupations Code, who knowingly allows the person charged with a crime to control the disposition of the decedent's remains in violation of this subsection commits a prohibited practice under Section 651.460, Occupations Code, and the Texas Funeral Service Commission may take disciplinary action or assess an administrative penalty against the regulated person under that chapter.

Notes and Revision History of Attorney's Electronic Edition

Notes

Originally I removed the Table of Contents generated in the native WordPerfect version of this document after generating the PDF and HTML files, figuring that the bookmarks did a better job. Seeing as how the bookmarks are nested, though, perhaps others may find a scannable complete Table of Contents handy. If not, you can just edit the file and delete those pages. Or ask me, and I'll put up a version without the Table.

Please contact me (mike@koeneckelaw.com) if you find any errors, or with any suggestions you may have.

Revision History

This project grew out of my wanting a version of the Probate Code I could pull up easily on my computer. I originally took the text version made available by the Texas Legislature and made some formatting changes for readability. Then I thought a Table of Contents would be handy, so added that, hyperlinked. Eventually (in early 2009) it occurred to me that some of my colleagues here in Texas might find it useful, too, so I published it to PDF and uploaded it. **Tom Fisher** of Corpus Christi was kind enough to contribute an index he had compiled, and then **Judge Steve King** of Tarrant County allowed me to add his convenient Quick Index. I kept it up to date by working from **Bill Pargaman**'s (sadly deceased in 2023) invaluable REPTL Legislative Updates. When the Probate Code was recodified into the Estates Code, I had to start all over again, with a lot of help from **Professor Gerry Beyer**'s own electronic Estates Code with cross-reference tables. Now that Professor Beyer has produced his definitive version, I do not know how necessary this one is, but I still like it, particularly because of the indexes and the tiered bookmark structure.

I started a new Revision History when transitioning to the Estates Code in 2013.

Version 0.5: August 4, 2013. Finished updating Tom Fisher's index. Added 2013 amendments via Bill Pargaman's legislative update. Still need to go through chapter titles, add to index, and need Judge King's updated Quick Index.

Version 0.6: August 5, 2013. Finished updating Judge King's quick index. Fixed bookmarks for Health & Safety Code.

Version 0.7: August 6, 2013. Replaced quick index with one supplied by Judge King. Switched font in indexes for legibility.

Version 0.72, August 8, 2013: Found a few typos, cleaned up some Quick Index hyperlinks; reconverted to PDF upon finding many bookmarks non-functional.

Version 0.73, September 24, 2013: Added amendment to H&S Code with respect to Medical POA disclosure statement.

Version 0.8, December 31, 2013: Added cross references to the old Probate Code sections to each Estates Code section.

Version 0.81, January 8, 2014: Added amended 122.051 and new section 122.107. Removed repealed 122.057. Added transitional notes.

Version 1.00, November 13, 2014: Added Probate Code to Estates Code Conversion Table with hyperlinks.
