

with full power and authority to sell, for cash or on terms, and to exchange any property of the estate without the consent or joinder of any other interested person, devisee, or beneficiary, and I request that no action be had in this Court in relation to the settlement of the estate other than the probating and recording of the will and the return of an inventory, appraisalment, and list of claims of the estate or an affidavit in lieu thereof.

3. I acknowledge that I understand that a surety bond is an obligation by a guarantor (an insurance company in the case of a corporate surety bond) which would protect my interest in the estate in the event the personal representative to be appointed should fail to faithfully perform his duties and I would have recourse to collect any losses to the estate from the company which issued the bond. I hereby waive the requirement of a bond for the personal representative to be appointed in Decedent's estate as required by Texas Estates Code §401.005 and request the Court to appoint such personal representative without bond. This waiver shall apply to the Application, any amended or supplemental applications, and any other documents filed thereafter in this matter.
